COMMITTEE ON ADVANCE FOR CHRIST AND HIS CHURCH**General**

There has been a 30 per cent increase in the number of missionaries during this quadrennium made possible largely through Advance Specials and the Week of Dedication offerings. There has been an increase in World Service giving of more than \$5,000,000 during this quadrennium over the preceding quadrennium. Every Annual Conference has accepted Advance Specials which total more than \$13,000,000.00. These figures do not include the last months of the current quadrennium.

Recapitulation

World Service receipts	\$27,917,909.00
Advance Specials	10,961,226.00
Week of Dedication	2,528,203.00
Woman's Division	26,133,085.00
Grand Total	\$67,540,423.00

Where We Serve

The church in 36 countries overseas has been served by the Advance program. It has built or helped build:

- 76 churches
- 29 rural centers
- 182 schools
- 17 seminaries
- 94 hospitals and clinics
- 6 publishing houses

In home fields the Advance Specials have helped build or reclaim 771 churches.

Thirty-eight per cent of the funds which have been administered by the Methodist Committee on Overseas Relief have been provided by the Advance. This committee has resettled 5,000 dependent persons.

Our Own Conference

We have raised in our own West Virginia Conference \$291,000 during the quadrennium and are the third conference in total amount raised. The Virginia and Ohio conferences have exceeded us. Thirty-eight conference initiated projects have been aided by our conference Advance program.

Board of Review

The Board of Review, elected by the Conference Committee on Advance, has received and reviewed requests made by the district superintendents. It has authorized payments of such requests according to its judgement and funds in hand.

From West China to South America

The West Virginia Conference originally sponsored building projects in the West China Conference. Because of the Communists Regime in China, no West Virginia money from the Advance has been spent there, however, in the Bombay Conference all projects have been completed. Your conference committee has decided by unanimous agreement to shift the sponsorship of the West Virginia Conference to five certain projects in South America, namely: Lins, Brazil, Campo Grande, Brazil, Tome, Chile, Iquique, and the Sao Paulo Printing Plant in Brazil.

The West Virginia Conference cabinet has voted to continue the current Advance program until December 31, 1952. Let us all pray hard and work dilligently during this extended time to bring to completion this great "Advance for Christ".

Respectfully submitted,

R. MOORMAN PARKER,
Chairman
WALTER S. OVERSTREET,
Secretary

**REPORT OF THE TRUSTEES OF THE FRANCIS ASBURY
EDUCATIONAL FUND**

The Trustees of the Francis Asbury Educational Fund have approved 16 applications during the past year. The total amount loaned is \$3,383.00. The number of applications and the amount loaned this year is less than last year. However, at present, applications for the next school year have already begun to come in. And from the look of things, the number will be increased considerably.

We are happy to be able to help those full time Christian Workers, ministerial and lay students who need some financial assistance. Quite often we receive requests for help but have had to refuse the assistance because of our present set up and regulations regarding loans. Some of these requests are near emergencies. We propose to alleviate this situation.

We appreciate the response of the pastors and the churches to the Student Day Offering. Yet, we feel that more of our people need to have this Day brought to their attention. Our Board must operate at present chiefly from the resources of the Student Day offerings.

The Board of Trustees recommends the following:

1. That our regulations be changed to the effect that single men who are receiving \$1,200.00 or less and married men receiving \$1,700.-00 or less, are eligible for loans.
2. That we help in emergency cases wherein the student may come to the end of the school year and needs financial assistance to graduate, or perhaps some unforeseen medical need arises. In event

that the applicant has already borrowed from the board for the current school year, his request will be granted on the basis that he pay back the full amount of the emergency grant. Further, if the emergency grant is made to those whose salary is above \$1,200.00 for single men or \$1,700.00 for married men, they too will pay back the full amount.

3. That we continue to observe Methodist Student Day in our Conference on the Sunday following Christmas.

4. That the Bishop and his cabinet appoint a Francis Asbury Educational Fund Secretary in each District.

5. That the Bishop and his cabinet re-appoint the following men as Trustees, terms ending 1955: Mack Thomasson, C. E. Brandt, J. A. Earl.

Respectfully submitted,
C. E. BRANDT, Chm.

COMMISSION ON CHRISTIAN VOCATIONS

The Commission on Christian Vocations has attempted to promote a program of Christian education or Christian Vocation and Church-related Vocations during the past year. This program applies to adults as well as young people who are in the process of selecting a life's work.

The 1952 Methodist Service Project Booklet is a "must" for all pastors, adult workers with youth, and youth themselves interested in Church Related vocations. The **Recruitment Packet** assembled and distributed by the Interboard Committee on Christian Vocations contains Church Vocation Leaflets for volunteer service and paid vocational areas of the various boards of the Methodist Church. Twenty of these Recruitment Packets have been placed with Church leaders recently. Twenty-five books have been placed with persons counseling young people for church work. Three books on "A Young Man's View of the Ministry" and three on "Choosing Your Career" have been placed with young people especially interested in making decisions.

Listed here are the number of young people interested in certain areas of work as their decisions have been recorded.

The Ministry, 57; Home Missions, 1; Religious Education, 21; Social Work, 2; Religious Journalism, 1; Church Secretary, 2; Nursing, 5; Medical Technician, 1; Ministry of Music, 9; Foreign Missions, 7; Not specific as to Ministry, Missions, or Christian Education, 74.

This makes a total of 180 young people expressing a desire for Church Vocations as a life's work.

Personnel needs of the Methodist Church for the next year:

1500 MINISTERS—

From a report given at General Conference and reported in The Christian Vocation's Guide the Minimum Ministerial Recruitment for the Methodist Conferences in the United States for the years 1952-1956 are—

To fill vacancies occasioned by death, location and withdrawal	732
For new charges	200
Special appointments	50
Replacement of retiring supply pastors and others	125
Total	1107

It is highly encouraging to know that last year the number received on trial was 1,110, almost the number of ministers desired. "Equally encouraging is the safe prediction that in 1952 over 800, and in 1952 probably 1,000 will be admitted into full Conference connection. This number is more than two times the average annual accession rate from unification through 1950". From May 1952 Christian Vocation's Guide.

3000 doctors, nurses, technicians and social workers are needed.

500 for home and foreign service.

500 for Christian educators.

This need seems far from us when we say the Methodist Church, but we are to supply some of these workers if the quota is reached. Also, here in our own conference we are a part of *that need*.

Ministers are needed for our West Virginia Churches.

A worker is needed for Scott's Run Settlement House.

A worker for Bluefield District Coalfield to live in the Community House and serve in McDowell County.

A worker is wanted and needed for service among the Negro people in McDowell County.

A worker is needed to help the student pastors of West Virginia Wesleyan College who are sent out in the Buckhannon District. The Woman's Division has been asked to pay the salary of such a worker, but the person nor the money have not been found.

Seven Directors of Christian Education or Educational Assistants are needed in our local churches, and, also, more local churches need to be making provision for using Directors of Christian Education.

Four Church Secretaries are needed.

U. S.—2 Workers are needed in West Virginia. We have one U. S. 2 now employed at the Wesley House at Amherstdale.

From time to time supervisors and house mothers are needed for the Conference Children's Home at Burlington.

Replacement of workers is needed for the personnel employed by the Conference Woman's Society of Christian Service. They now pay the salary of seven foreign missionaries and two home missionaries. Six deaconesses and two or more home missionary workers are employed annually by them.

West Virginia needs to feel the responsibility of finding the young men and women to supply a large portion of all of these needs. When we think of the 180 young people who now express a desire for Church Related Vocations we feel that cultivation is the key to filling these appointments. Also, there are many other young people who can and will be reached to make similar decisions for their Christ and His Church.

The Conference on Christian Vocations to be held again this year will be one of the means by which we can find them. It will be this December, the 29-31 at West Virginia Wesleyan College. The price of attendance at the Vocational Conference will be \$7.00. Do all you can to reason with young people who are juniors and seniors in high school to help them be interested in a vocation for the Church. They will be welcome at the conference. College and seminary students will attend. Also, a limited number of adults who need vocational helps may attend. The conference should have around one hundred delegates.

*"To serve the present age,
My calling to fulfill
O may it all my powers engage
To do my Master's will."*

Signed:

MRS. A. J. YOUNG

DISTRICT SUPERINTENDENTS REPORT

Bishop Wicke and Members of the Conference:

We record here our heartfelt thanks and gratitude to Almighty God for His goodness and mercy shown unto us, his children and servants in that we have been permitted to labor together for another year, and have been permitted once again to assemble as an Annual Conference. "Thanks be unto God who giveth us the victory through Jesus Christ Our Lord."

And are we yet alive and see each others face? What troubles have we seen? What victories have we won? The joy has outweighed the sorrow, the peace and calm has overcome the storm. Through it all God has led us, in fellowship one with another and with Him. "Great is the Lord and greatly to be praised, Bless His Holy Name."

Our Honored Dead

We are reminded that while we are here assembled in our Annual Conference several of our number passed from us during the year. They have presented their reports to the Heavenly Conference and have heard the Lord of all Life say, "Well done, good and faithful servants, enter thou into the joys of eternal life." This year has taken from us valiant souls who will be remembered year after year, in sincere devotion, as we miss them in our conference. It is well for us occasionally to look over the list of our "Honored Dead." Here are recorded the names of those whose labours built our great Conference; circuits carved out of the wilderness, church buildings erected, parsonages constructed, men called to the ministry through their preaching — truly they were a noble band. What they wrought in heroic struggle and poverty, we enjoy today in luxury. Lord make us worthy to follow in their train!

*"Thanks be to God,
That such have been,
Tho they are here no more."*

Significant Gains

In 1940, 484 pastors reported salaries totaling \$589,900; World Service payments of \$119,078 with a membership of 180,552. This was the first full years report after unification.

In 1948, 496 pastors reported salaries amounting to \$1,006,689; World Service \$202,855, with a membership of 209,875; a gain in 8 years of 12 pastoral appointments; 70% increase in pastor's salaries and a gain of 73% on World Service. Membership increased 15%.

In 1952, 539 pastoral appointments report salaries of \$1,301,769. World Service \$253,333, and a membership of 222,348.

During this quadrennium we have gained 43 pastoral appointments; increased world service 25% and have increased the membership from 209,875 to 222,348. We have built *fifty-five* new churches, *fifty-three* parsonages and 20 educational units.

During this present conference year, we received 16,606 members, an increase of 4,199 over the previous year. This gain is the direct result of the Evangelistic Advance.

In the matter of Mission Specials the Pittsburgh area has led the Northeastern Jurisdiction and stands third in the entire church. West Virginia paid this year, \$104,858. Total for the quadrenium 338,583 not including week of dedication and Fellowship of Suffering.

The Reserve Pension Fund has been pushed to within \$6,000 of the Million dollar goal.

During the quadrenium, Rev. Moorman Parker has directed many campaigns for funds for the building or rebuilding of churches, with phenomenal results.

The Educational work of the conference has shown a substantial increase over a period of years. Church School membership increased from 144,870 to 171,269 and average attendance from 77,912 to 98,815.

Woman's Society of Christian Service

No person in the official life of the church has a better opportunity to evaluate the work of the women than the District Superintendent. He hears the reports that indicate hours of hard work and great devotion; money spent on the parsonage to make the home of the pastor and his family more attractive and more comfortable; dinners served to the men and youth; activities of many, many kinds, the results of which are reflected in the life of the church; Mission study; prayer group; cultivation conferences; a well planned program which is executed with diligence and great devotion.

We can be very proud of the Methodist Women of West Virginia, who have made great progress through the quadrennium. While statistics do not tell the whole story they do indicate the significant growth made by the Women's Society of Christian Service during the past four years. Consider please these facts:

In 1948 there were 692 societies with a membership of 28,949.

In 1952 there are 802 societies with a membership of 36,266; a gain of 110 societies and 7,317 active members.

In 1948 they pledged \$91,000 to the woman's division. In 1952 their pledge was \$120,000 or an increase of \$29,000 in four years.

The standing of the West Virginia Conference Woman's Society of Christian Service in the Northeastern Jurisdiction is an enviable one. It stands first in the number of societies; first in the number of Wesleyan Service Guilds; first in the total membership; first in the amount given for youth work; first in the observance of the week of prayer; first in cash given for supply work; and they carry the largest pledge in the Jurisdiction to the woman's division of Christian Service.

Laymen's Work

It is not easy to draw a line of demarkation relative to the work of the Laymen. They do not operate a type of organization such as the Woman's Society of Christian Service. Our men are the leaders in the promotion of the total conference program. They are the promoters of World Service, Pastor's Salaries, Pension Fund;—all the financial programs of the church become their special interests.

During the quadrennium the late Mr. Foss Curtis gave vigorous leadership in our men's work. His successor, T. E. Campbell has carried on in an excellent manner. This year the total number of groups of chartered "Methodist Men" has been doubled—we now have 124 such groups. An excellent program for the coming year is being planned.

Recommendations

1. Your superintendents hold varying opinions concerning an area for West Virginia. We are unanimous, however in the opinion that the Pittsburgh Area is too large and that some adjustment should be made. A very large majority favor the establishing of an area for West Virginia. The minority which is small believe that such an area would not prove advantageous.

2. The present cabinet is unanimous in recommending that an additional district be established. In the past quadrennium we have gained 43 pastoral appointments. Some of the districts have as many as 60 charges. We believe for more efficient administration twelve districts should be provided which would give an average of 44 charges to the district. It would not seem wise to effect this change at this session of the Conference, but we strongly urge that such be done at the 1953 session.

3. We recommend that our Conference give serious consideration to the development of our existing institutions and make plans for a larger service and ministry through the building of new institutions.

West Virginia Wesleyan College should be given adequate support, both in terms of financial help and in securing students.

The Children's Home should have continued support and proper plans should be made for its development.

West Virginia has but these two institutions. The Conferences bordering on West Virginia have developed an institutional life which has become their strength. We have no Jumonville nor Lakeside — no hospitals such as Ohio and Kentucky have — no home for the aged and no homes for Retired Ministers. Your superintendents believe that West Virginia should embark on a great program of Institutional Building and that the next few quadrennia should be spent in doing something for ourselves. We suggest that immediate plans be made to secure an Assembly Ground, and that leadership in this should come from the Board of Education. We believe that we should provide a home for the aged within the next quadrennium, and that leadership in this should come from the Board of Hospitals and Homes. We think that the matter of a Hospital will take longer time but we believe that we should enter this field of service, and that Methodism in West Virginia has the doctors and the financial strength to provide this type of ministry in which our church has been so sadly lacking.

We realize that such advancement as is suggested would require vision, and consecration and untiring effort, but we also believe that what others have done, we can do, and more if need be, for the development of our conference and the advancement of Christ's kingdom on earth.

4. We recommend that the West Virginia Conference accept the 35% increase on World Service as apportioned to us by the General Conference. We further recommend that Wesleyan College and the Wesley Foundation be given a definite percentage of Conference Benevolences to be worked out by the World Service Commission. This amount should be such as would give adequate support to the college and the foundation and would be in lieu of the recommendation of the General Conference suggesting 50 cents and 15 cents per member for these causes.

5. We believe that special attention and much prayer should be given to the matter of recruiting men for the ministry. We are experiencing difficulty in keeping our seminary graduates in West Virginia. We are furnishing a goodly number of men to other conferences. We must secure the men, provide for their training and take care of them in acceptable appointments when they return to us.

In this connection it has been suggested that West Virginia Conference propose that Westminster Seminary be moved to Buckhannon. There are three Seminaries in the East, and two in the South. Why could not Westminster be brought west of the mountains? We make no particular recommendation in this matter but believe it should have some study.

Rural Reorganization

While West Virginia has become a great industrial state, so far as Methodism is concerned we are still predominately a small town and rural church. Many of our circuits are still operating on the

pattern set 75 to 100 years ago; churches are close together; people have moved, and yet for sentimental reasons, greatly augmented by a cemetery, it is a difficult task to effect a change, except such as is coming slowly by the decreasing congregations and dying churches. Many unused and dilapidated church buildings speak of a decadent rural church once great in its appeal to country people. Out of our rural sections come many of our preachers and leaders. We must re-evaluate our rural situation and find a solution.

Your superintendents recommend that the leadership in this work be assumed by the Conference Commission on Town and Country Work: That in each district the Board of Church Location and Building together with representative laymen and pastors, with the help of the Conference Commission, be urged to make a careful appraisal of our Rural situation. We suggest the consideration of the following:

1. Merging of congregations.
2. Re-arrangement of circuits, creating what has been termed "The larger parish".
3. Co-operation with the County Agricultural Agent and Extension Department of the College of Agriculture in a broader ministry to rural people. The Lord's Acre idea might be used to an advantage in many sections.
4. Holding of Conferences on Circuit Organization which should result in a wider use of Circuit Official Boards and Circuit Woman's Societies of Christian Service with circles in each component church.

Your superintendents do not know the answers to all the problems relative to our Country work, but we stand ready to give our best in leadership to help find the solutions.

The Future

One can not forecast the future of West Virginia Methodism without consideration of our potential strength and the great opportunity for advancement that challenges us. We already number approximately 12% of the population of the state within the ranks of the Methodist Church. It is estimated that more than 70% of the people of West Virginia do not belong to any church. We have the people; We possess the resources; We are presented with the opportunity and we have a message and a program of action!

We implore you to strengthen the Lord's work by a consistent unit of purpose and action. In a conference as large as ours there must of necessity be diversity of opinion, and we are not yet far enough into the years of United Methodism to forget our past loyalties and special interests. But we should resolve those differences of opinion and interests for the good of the whole conference, and the Kingdom of the Lord Jesus.

West Virginia has some great preachers and noble laymen, recognized beyond our borders, more than at home. He who said, "A prophet

is not without honor save in his own country" did not endorse this position, nor did he say it could not be changed. Men of West Virginia conference should stand for and promote our own men. This is not provincialism, nor is it blind loyalty. It is saying to the Methodist world that West Virginia has produced men who are stalwart leaders, men of great pulpit ability, keen intellect, able in administration, dynamic in personality and capable of filling any office in the Methodist Church. But they will never have the opportunity unless we stand together. In the conferences of the church, West Virginia has large representation and great influence. We can have most anything we want, if we are agreed on what we want, know how to get it, and stand solidly together.

United we gain, Divided we fail.

We must bring to the altar of our Christ for the next years all the potential strength and ability of which we are capable. Truly we have a great heritage. Men of the mountains have always possessed daring and courage. From pioneer days men of West Virginia have shown a fortitude and ability excelled by none other. The minute men of the American Revolution, were characterised as men who were recruited in a minute, armed in a minute, fought in a minute, and vanquished the enemy in a minute. They wore in their hats buck-tails and carried in their belts tomahawks and scalping knives. (This is not intended as a description of a district superintendent). When what is now West Virginia was known as West Augusta, General Washington in the dark days of the Revolution was told the story of a mother from the mountains saying to her three sons, "Go my boys and drive back the invader or see my face no more." It was on hearing this that General Washington exclaimed: "Leave me but a banner to plant upon the mountains of West Augusta and I will gather round me the men who will lift our bleeding country from the dust and set her free." From these heroic souls we have descended. They not only made our country free but in a few years later had planted the banner of Christ our Lord on mountain, craig and into the valleys. Be ours to hold this banner high, and with faith, and courage declare the Saviours love until every wandering child of God in these valleys and mountains has heard the masters voice and surrenders His life to Jesus Christ our Lord.

Brethren, we commend you to God and to the fellowship of his saints, and pray that He who keepeth Israel will keep you in His love, until you answer the roll call in that Heavenly Conference in our Father's Eternal Kingdom and receive your appointment to Eternal Life.

BOARD OF EDUCATION

The Board of Education of the West Virginia Conference is happy to report continued advances in all phases of Christian education entrusted to its care. The present Conference Year has been a year filled with significant achievements.

Although the enrollment has dropped considerably during the past several years, West Virginia Wesleyan College continues to serve West Virginia Methodism. We feel that the administration of the College has done a significant work in keeping the enrollment at its present figure. The enrollment for the first semester of the year 1951-52 was 511. The enrollment for the second semester was 475. The catalogue report on the year's enrollment will show, in addition to the regular students, the following: Post-Graduates, six; Summer session, 296; Intersession, 25; Extension, Evening, and Special, 151; making a total enrollment of 989 persons.

West Virginia Wesleyan College continues to depend entirely too heavily upon the student fees. The budget for the new school term 1952-1953 is based upon five hundred students. Even if we should have this number, with the increasing costs of operation it will be necessary for the West Virginia Conference to find additional funds for the college this year if we are to maintain a balanced budget. It is sincerely hoped that the Commission on World Service and Finance of the West Virginia Conference will be able to supply at least \$20,000 in addition to the amount that has been given to Wesleyan College in other years, for the school term 1952-1953.

Regarding the Capital Funds Campaign, we are happy to report that these funds are being collected at a rate of approximately \$10,000 a month. The total pledged on the Capital Funds Program is now \$556,969.76. On March 1, 1952, of the total pledged, the amount of \$360,748.92 has been paid in cash. By terms of the Kresge Gift, in which West Virginia Wesleyan College is to collect \$450,000 in cash before the \$50,000 pledge from the Kresge Fund is paid, \$100,000 more in payments of pledges and new money will be necessary. At the present rate of cash income on the Capital Funds Program, it may be possible to attain this goal by the end of the calendar year. In the past seven years \$769,000 has been secured in new money for the Building Program, or an average of more than \$100,000 a year. In addition, wills, trusts, and estates have brought more than \$800,000 during the same period. West Virginia Wesleyan College has made significant gains in Capital Funds.

The Byrum Construction Company of Wheeling has been making satisfactory progress in the completion of the new buildings at West Virginia Wesleyan College. Finishing operations will take several months, however; and as a result it is probable that the buildings will not be ready for occupancy until late summer.

The reports from the observance of College Day up to and including February 29, 1952, show that the amount of \$4,225.42 has been received by the Conference Treasurer. This means that we will probably realize about \$7,000 on this day, which is divided 50% to the Department of Religion of Morris Harvey College, and 50% to West Virginia Wesleyan College. As has been the case in other years, the number of churches observing College Day has increased this year.

However, by the same token the amount of money received on College Day has shown a decline for the past three years. This is tragic. There is desperate need for a more widespread College Day as a day when the cause of higher Christian Education is lifted up and an offering received, to be designated as listed above. In addition to the ministerial students and other persons in full-time vocational work in the employment of the Church at West Virginia Wesleyan College, the Department of Religion of Morris Harvey College, an independent Charleston college, is training a large number of ministerial students and other full-time vocational workers who will be employed in the Church. We of the Board of Education of the West Virginia Conference plead for a more widespread observance of College Day with a larger amount of offering sent in for this special day.

One of the most significant gains to be made this year by your Board of Education is in the field of Student Work. At West Virginia University where more than 2,000 Methodist students are enrolled, the Wesley Foundation is providing excellent opportunities for church participation for those pupils who are away from home. It is believed by many that the physical facilities at the Wesley Foundation at West Virginia University are superior to those used by the Wesley Foundation of any other college or university. Dr. T. LeRoy Hooper, Director of the Foundation, and Mr. Joseph Johnston, Associate Director of the Foundation, are serving the Methodist students at West Virginia University in a very splendid way. The affairs of the Wesley Foundation are administered by a Board of Trustees, the personnel of which is tremendously interested in the religious life of the Methodist student on the West Virginia University campus.

Your Board of Education will recommend in another section of this report the acquisition of a house to be used as the physical plant for the Wesley Foundation at Glenville College. It appears that we are now ready to begin on a modest basis financially the operation of a Wesley Foundation at Glenville College. The minister, the Rev. Eldred M. Comp, is the director; and he hopes to have a part-time associate next year. The Central District, in which Glenville College is located, through its Laymen's organizations are giving outstanding support to the Wesley Foundation at Glenville. The Wesley Foundation at Fairmont, under the direction of the Rev. J. C. Jarvis and Mrs. W. E. Craig, is rendering a significant service to the Methodist students on the campus at Fairmont College. The Wesley Foundation at Morris Harvey College continues to be one of the most active Wesley Foundations in the West Virginia Conference as far as program is concerned. A wide variety of activities is promoted by this wide-awake group. The Wesley Foundation at other colleges continues to render significant service to the Methodist pupils in the various campus situations. A committee to investigate the possibility of the employment of a student worker at Marshall College and an organization of the Wesley Foundation of Methodist Student Movement at other schools and state colleges continues to investigate these possibilities. Wesley Foundations are already at work on other college

campus situations, and in the case of West Virginia Wesleyan College a Methodist Student Movement organization is doing outstanding work.

In the field of leadership education, the Department of the Local Church continues to make this particular phase of its work one of the main emphasis. During the Conference Year of 1951-1952, 141 schools have been held, reaching 4,731 pupils. These figures represent both First and Second Series Leadership Education Schools, both Denominational and Interdenominational schools, both Cooperative and Local Church Schools, both Credit and Non-Credit schools. However, there is much work to be done in this field. One Laboratory School for Children's Workers was held with a splendid response on the part of the Children's Workers.

In the field of Adult Work, the emphasis this year has been on the organization of Sub-Districts in the realm of Young Adult Work. We have had many gratifying results at this point. Other adult work is moving along in a fine way. A second emphasis in Adult Work is the matter of the better trained corps of teachers in the adult divisions of the Local Church. A very splendid program has been arranged for the Young Adult Conference to be held at West Virginia Wesleyan College, June 19-22, 1952. New Conference Officers for the West Virginia Conference Young Adult Fellowship will be elected and installed at that time.

In the field of Youth Work, a complete summer program has been planned. One Older Youth Assembly, three Senior Assemblies, eleven District Christian Adventure Camps, eleven Christian Life Camps, and four Local Church Camps have been provided for the summer season. Two Youth Caravans will serve in the West Virginia Conference this year, reaching a total of twelve churches. Eight young people from the West Virginia Conference will serve on Youth Caravans in other Conferences. Eight young people from other Conferences will serve in the West Virginia Conference along with two West Virginia adults who will serve as our Youth Caravan Counselors this year. More than \$14,000 has been pledged to the Methodist Youth Fund. On such a pledge we will receive more than \$15,500. New officers of the West Virginia Conference Methodist Youth Fellowship will be elected at the assemblies and installed on the last day of the Older Youth Conference, July 12, 1952. Splendid Workshops were held this year in the training of Fellowship Teams, Community Service, Missions, and Recreation. The Methodist State Student Conference was held at Jackson's Mill with 150 college youth and their leaders representing the various colleges in West Virginia. Newly elected officers of the West Virginia State Student Movement were installed at the final session of the Conference.

The Board of Education is working with the Commission on Christian Vocations in the matter of keeping adequate lists of those who have made decisions for full-time vocational work in the employment of the Church and in the matter of the holding of a Con-

ference on Christian Vocations during the last week in December, 1952, at West Virginia Wesleyan College. The West Virginia Conference had one of the largest delegations at the National Convocation for Methodist Youth.

The Board of Education of the West Virginia Conference, co-operating with other boards and agencies within the Conference, provided delegations for the Family Life Conference in Chicago, Illinois, and the Rural Life Conference in Sioux City, Iowa. In both of these Conferences, the West Virginia delegation was one of the largest.

The West Virginia Conference expects to cooperate with the Commission on Town and Country Work in the plans made by that Commission for the new Conference year.

The West Virginia Conference continues to lead the Church in the number of Vacation Church Schools held. Last year there were 703 Vacation Church Schools, directed by 6,526 workers and serving 41,477 pupils. Three Church School Extension workers from West Virginia Wesleyan College served in twenty-one Vacation Church Schools in the Conference. West Virginia Wesleyan College is making available the same number of students for this work during this summer. The Conference-wide Laboratory Children's Workers School will be held in connection with the Pastor's, Woman's Society of Christian Service and Christian Worker's School, July 14-19, 1952. A very outstanding program has been arranged. The Conference Director of Children's Work is planning for a number of District Children's Workers Camps and Retreats for this summer. New members continue to enroll in the Fellowship of Study. The Conference Staff expects to give special emphasis in the matter of Children's Workers Laboratory Schools and to the matter of Week-Day religious instruction during the coming Conference Year.

Your Board of Education is happy to report that the offerings on Special Days, with the exception of College Day, continue to increase. Below is a comparison of the receipts on these special days between the years of 1944 and of 1951.

Recommendations for Local Church Section

1. That we earnestly seek to promote a wider observance of Rally Day, our goal being Rally Day to be observed in every Church with an offering sent to the Conference Treasurer. That we set as a minimum goal for Rally Day the amount of \$5,000 to be raised on this special day.

2. That Student Day be observed with the understanding that the offering is to be set up in a budget to be divided as follows: 75% to the Francis Asbury Education Fund of the West Virginia Conference, 25% to the General Board of Education, Department of Student Loans and Scholarships. We recommend that the observance of Student Day be held on the Sunday following Christmas. Student Day will thus be observed with a three-fold purpose: Recognition of College and University Students home for vacation; lifting up the cause of Higher Christian education; and for the receiving of an offering to be used as listed above.

3. That at least two Youth Caravans be used in our conference this year.

4. That Race Relations Day be observed in each local church with an offering for that cause, and that the offering from the West Virginia Conference be designated for Morristown College, Morristown, Tennessee.

5. That we make an effort this year to encourage each local Church to observe the fourth Sunday as World Service Sunday with an offering sent to the Bank of Milton, Treasurer. The specific goal for this year is ten Church schools in each District observing World Service Sunday, which church schools have not observed it in the past.

6. That we continue to hold at least three Senior Assemblies and one Older Youth assembly.

7. That we urge the Conference Youth Council to hold all assemblies at West Virginia Wesleyan College.

8. That we urge the use of Methodist literature in all our church schools.

9. That we continue the publication of the "Christian Education Bulletin."

10. That we continue to give our support to the Methodist State Student Movement Conference held annually at Jackson's Mill.

11. That the fifth Sunday be observed in the church schools of the West Virginia Conference as Hospitals and Homes Sunday with an appropriate program and an offering received to be sent to the Bank of Milton, Treasurer, designated "Hospitals and Homes Offering."

12. That the same type of Vacation Church School Coaching Conference be held this year as last year.

13. That we join with other Denominations in a vigorous promotion of Week-Day Religious Education of Children.

14. That we continue to hold the Young Adult Conference. Furthermore, that we give approval to contributions to the Young Adult Fund which will supply limited funds for the operation of the West Virginia Conference Young Adult Fellowship.

15. That we take every means to encourage the improvement of the quality of teaching being done in our Adult Bible Classes.

16. That we continue the Pastor's, Woman's Society of Christian Service, and Christian Worker's School and that the Board of Education contribute the amount of \$100 toward the support of the school.

17. That we urge the observance of Christian Education Week.

18. That we urge the widest possible observance of National Family Week.

19. That we continue our cooperation with the Commission on Christian Vocations and contribute the amount of \$200 per year to this work, and further, that we continue our cooperation with the Town and Country Commission and that we contribute the amount of \$50 per year to the support of this work.

20. That we accept the offer of the Trustees of Central District of a parsonage to be used as a home for the Wesley Foundation at Glenville College and approve the organization of a Wesley Foundation at that point.

21. That the Executive Secretary of the West Virginia Conference Board of Education serve also as Conference Director of Youth.

22. We recommend that the West Virginia Conference provide, from Conference Benevolences, the amount of \$40,000 for West Virginia Wesleyan College, said amount to be administered in the customary manner.

We recognize the fine services of the Department of Religion of Morris Harvey College in the training of approximately 50 pre-ministerial students and about half that number of persons entering other full time service in the employment of the Church.

In the light of this service to the West Virginia Conference, we recommend that the West Virginia Conference provide, from Conference Benevolences, the amount of \$5,000 for the Department of Religion of Morris Harvey College; said amount to be administered by the West Virginia Conference Board of Education, in co-operation with the administration of Morris Harvey College.

23. That where the Board of Education is expected by inter-denominational organizations, church-wide conferences, etc., to provide money for the expense of delegates, that this matter be submitted to the Board of Education in ample time for full discussion and approval by the Board of Education.

24. We recommend that the West Virginia Conference provide, from Conference Benevolences, the amount of \$6,000 for Wesley Foundation Work, the \$1,000 above the \$5,000 regularly allocated to the Wesley Foundation, Morgantown, to be used in extending the Wesley Foundation program on other Campus situations.

RESOLUTION OF APPRECIATION

The following Resolution was adopted by the Board of Trustees of West Virginia Wesleyan College at its meeting at Buckhannon, West Virginia, March 14, 1952:

"BE IT RESOLVED, that the Board of Trustees of West Virginia Wesleyan College hereby express its sincere appreciation of the splendid financial support which our Conference, our Methodist Friends, and others have given to the success of our Capital Funds Campaign during the quadrennium under the able leadership of our Resident Bishop—Bishop Lloyd C. Wicke.

As a result, our College has been able to claim the provisional gifts proffered the College by Mrs. Pfeiffer, the Board of Education and others, by erecting three modern College Buildings on our Campus, now nearing completion, and has made substantial progress toward meeting the requirements of the Kresge Foundation for a gift of \$50,000.

BE IT FURTHER RESOLVED, that we recommend that the Delegates from the West Virginia Conference to the Northeastern Jurisdictional Conference use their influence to have Bishop Lloyd C. Wicke returned to this Episcopal Area for another term as Presiding Bishop."

THE METHODIST BOARD OF
EDUCATION

Alfred E. Bennett,
President
James T. Browning,
Secretary
Walter S. Overstreet,
Executive Secretary

WHEREAS, the West Virginia Annual Conference authorized West Virginia Wesleyan College to enter into a Campaign for \$500,000 to assist in the erection of three new buildings at West Virginia Wesleyan College,

WHEREAS, under the able leadership of Bishop Lloyd C. Wicke the West Virginia Conference has responded in a very fine way to this campaign with pledges and cash amounting as of May 20, 1952, to \$560,538.32, of which \$373,917.96 has been paid as of said date and \$186,620.36 was represented by pledges yet to be paid.

WHEREAS, the new buildings, the Men's Residence Hall, the Annie M. Pfeiffer Library, and the L. L. Loar and Family Memorial Building for Music and Fine Arts are nearing completion, and will be fully paid for when approximately \$80,000 of the current outstanding pledges as aforesaid are collected.

WHEREAS, Agnes Howard Hall, a girls' dormitory at West Virginia Wesleyan College, is badly in need of modernization and refurnishing,

WHEREAS, the Alumni Association of West Virginia Wesleyan College has offered to sponsor such modernization and refurnishing program,

WHEREAS, no funds in the current budget or the budget approved by the Board of Trustees for the year 1952-1953 are available for this much needed work,

BE IT THEREFORE RESOLVED, that the West Virginia Annual Conference, meeting in Charleston May 28, 1952, be requested to authorize and instruct the Board of Trustees of West Virginia Wesleyan College to use funds up to \$50,000 from the Capital Funds program as represented by the aforesaid pledges for such modernization and refurnishing of Agnes Howard Hall until such funds can be replaced from the Alumni Fund; and to borrow from the Mellon National Bank and Trust Company of Pittsburgh, under the terms and provisions of the Loan Agreement heretofore made and entered into by and between the College and said Mellon National Bank and Trust Company and now in effect, an amount up to said sum of \$50,000, the same to be repaid from the aforesaid pledges when and as collected or from new contributions made to the College for said purpose or payments made through the Alumni Fund.

I, Myron B. Hymes, Secretary of the Board of Trustees of West Virginia Wesleyan College, a corporation, do hereby certify that the foregoing is a true and correct copy of a resolution adopted at a regular meeting of the Board of Trustees of said college held on the 26th day of May, 1952, at which time a quorum was present during the consideration and adoption thereof.

Given under my hand and the seal of West Virginia Wesleyan College, a corporation, this 26th day of May, 1952.

MYRON B. HYMES,

Secretary,

Board of Trustees of West
Virginia Wesleyan College, a
corporation.

WHEREAS, by action taken June 9, 1950, this Conference approved a request made by West Virginia Wesleyan College that, pending payment of pledges under its Capital Funds Campaign, said College be authorized to negotiate a loan secured by a Deed of Trust on the college campus property at Buckhannon, West Virginia, in the amount of \$200,000 to secure funds for the completion of the three buildings then contemplated, namely, the first of two proposed units of a Dormitory for Men, the L. L. Loar and Family Hall of Music and Fine Arts, and the Annie Merner Pfeiffer Memorial Library; and

WHEREAS, as now reported to this Conference, said college thereafter entered into an agreement with the Mellon National Bank and Trust Company of Pittsburgh, Pennsylvania, under the provisions of which said bank agreed to loan to said College said sum of money or such part thereof as might be needed when and as required, and in pursuance thereof said college executed to said bank a Deed of Trust to secure said loan, as authorized by this Conference; and

WHEREAS, as now appears from a resolution adopted by the Board of Trustees of said College on the 26th day of May, 1952, a copy of which has been filed with this Conference, only approximately \$80,000 of said loan fund will be required for the completion of the three buildings mentioned therein and the Trustees of the College, by the aforesaid resolution, have requested from this Conference approval of their proposal to borrow under the provisions of said Deed of Trust and use in the modernization and refurnishing of Agnes Howard Hall, a dormitory for women on the college campus at Buckhannon, a sum not to exceed \$50,000, and the same to be repaid from pledges now made under the Capital Funds Campaign, new pledges received by the College, or funds collected by the Alumni Association and paid to said College, and said Mellon National Bank and Trust Company, under an amendment to the aforesaid loan agreement, has agreed to loan the money for the aforesaid purpose; and

WHEREAS, it appears that it is in the interest of West Virginia Wesleyan College that the aforesaid request be granted.

NOW, THEREFORE, BE IT RESOLVED by the West Virginia Annual Conference of The Methodist Church at Charleston, West Virginia, this 30th day of May, 1952, that the consent of this Conference be given to the proposed action on the part of the Trustees of West Virginia Wesleyan College and that they be authorized and empowered to borrow from the said Mellon National Bank and Trust Company of Pittsburgh such sum or sums of money, not to exceed a total of \$50,000, under the terms and provisions of the aforesaid Loan Agreement and the Deed of Trust executed in pursuance thereof for the purpose of modernizing and refurnishing said Agnes Howard Hall, said loan to be repaid in the manner set forth in the aforesaid resolution of the Board of Trustees of the College.

REPORT OF COMMITTEE ON EQUALIZATION OF SALARIES

At the 1951 session of the Annual Conference the following resolution was adopted (see page 51, 1951 minutes)

"The Lewisburg District Conference, meeting in a called session on April 2, 1951, wishes to present the following memorial for the consideration of the West Virginia Annual Conference. We request Bishop Lloyd C. Wicke to appoint a committee of ten, five laymen and five ministers, to consider the matter of equalizing salaries for the ministers of the West Virginia Conference."

Pursuant to the action of the Conference Bishop Wicke appointed the following committee:

Clerical

J. B. F. Yoak, Jr.
L. H. Burns
Rowland Aspinall
Stacy L. Groscup
William Knox

Lay

C. D. Munson
H. W. Wiseman
J. C. Hupp
Chester J. Compton
W. Frank Keefer

This committee met in Buckhannon on July 19, 1951 and without any formal instruction on the import of the resolution discussed:

- a. The Equalization of salaries.
- b. Further supplementation of salaries.

In a meeting held during the session of this conference the matter was further studied and the committee desires to make the following recommendations.

1. We do not recommend any policy of equalization of salaries.
2. We recommend that if an increase in minimum salary standards is desired that the committee on minimum salary from the Board of Missions bring in such a recommendation.

WEST VIRGINIA CONFERENCE BOARD OF EVANGELISM**Report Number One**

Your Conference Board of Evangelism believes, as Bishop Glen R. Phillips has said, "Evangelism is not a luxury. It is a necessity. It is not a 'take it or leave it' matter. It carries a sense of urgency and the powerful drive of a saving work for a world in crisis! It is not an 'elective' in the school of Christ. It is a basic spiritual requirement, if we are to live and achieve as individuals and as a church." The results in the field of evangelism in our conference during the past year gives convincing evidence that the ministers and laymen share with us in this belief.

The past year we witnessed one of the greatest co-operative evangelistic efforts ever experienced in the life of our conference. In keeping with the nation-wide policy of the General Board of Evangelism, our United Evangelistic Mission was held during the months of September and October. During this united effort ten-thousand, eight hundred eighty-one made commitments of their lives for Christ and the church. Teams of laymen and ministers visited fifty-two thousand, seven hundred thirty-eight prospects. The results, by districts, are as follows: Moorefield, 1,496; Fairmont, 1,456; Buckhannon, 1,447; Huntington, 1,009; Parkersburg, 1,007; Wheeling, 970; Charleston, 875; Bluefield, 684; Beckley, 658; Lewisburg, 598; Central, 394. With the Easter Season, which offers us our greatest evangelistic opportunity yet to be reported we feel that when the complete report is made at the conference that we will have one of the most successful years that we have ever known in our conference.

We are deeply grateful for the consecrated leadership of Bishop Lloyd C. Wicke and the eleven district superintendents, together with the help of the visiting ministers from the Pittsburgh and Erie Conferences. This effort gave proof of what a great church can do, when they unite behind a great movement.

Our class on Evangelism in the Pastors, Woman's Society of Christian Service, and Christian Worker's School, taught by Dr. W. E. Craig, was one of the best that we have ever had. We will again co-operate in the school, which will be held in July, and we are very fortunate to have with us Dr. G. Ernest Thomas, Director of Spiritual Life of the General Board of Evangelism. He will give the inspirational lectures each evening and will conduct, during the morning hour, a spiritual life retreat for ministers only. We urge all ministers of the conference to attend, and share with us in this unusual opportunity to not only learn more about the program of evangelism but to deepen our own spiritual life and enable us to lead our people in a greater effort to win lost souls to Christ and His Church.

We are also deeply grateful to the Conference Board of Lay Activities and the Conference Board of Education for the emphasis on evangelism that they have included in their programs. Work Shops on evangelism were held in each of the summer assemblies, and one conference-wide, week-end Work Shop on Evangelism was held in

Parkersburg; also many of the districts included a Work Shop on Evangelism for youth in their district week-end Work Shops.

This is truly an hour for evangelism, for the need for our message in the world is great, and the people are responsive to the challenge of the Christian way of life.

Recommendations for the Conference Year 1952-53

1. That we co-operate fully with any program that might be suggested by the General Board of Evangelism for the next quadrennium.

2. That we promote organizations of District Committees of Evangelism and the Committee on the Membership and Evangelism in local churches as provided in the discipline, and strive to help them function properly.

3. That we hold at least one work camp for young people sometime during the year.

4. That we promote regular church attendance by using the programs outlined in "Shepherds Magazine".

5. That we seek out strategic places where new churches are needed and help to get them established.

6. That the name and addresses of the chairmen of the local church Committees for Membership and Evangelism be furnished the Conference Secretary of Evangelism, that each may receive "Shepherds Magazine" through the generosity of tithings.

7. That we promote the devotional life of individuals and churches by the use of the "Upper Room" and other devotional literature, and encourage our people to form prayer circles and also encourage them to set up family alters and regular habits of Bible reading and prayer.

8. That we make full use of the splendid evangelistic literature made available to us by "Tidings" and the General Board of Evangelism.

9. That we give full support to the Board of Education, in the emphasis of church school enrollment and attendance and emphasize the importance of winning the parents and children enrolled in our church schools. Also to the Board of Lay Activity in the emphasis placed on evangelism in their program.

10. That full advantage be taken of special days and seasons such as World Communion Sunday, Christmas, Easter, Pentecost and Family Week.

REPORT NO. 2

WEST VIRGINIA CONFERENCE BOARD OF EVANGELISM

Bishop Wicke, Members of the Conference:

Report No. One will be found on page 35 and 36 of the Pre Con-

ference Report. We urge your study of the report as it summarizes the results of the greatest cooperative evangelistic effort in the history of the Conference resulting in Ten Thousand, Eight Hundred Eighty-one commitments to Christ and His Church.

Your Conference Committee urges that the tried and proved method of visitation evangelism be continued in our conference.

We commend the fine work of Prof. Donald Flynn, Director of Group Ministry and recommend that \$300.00 of Board's funds be given to this work.

We commend to the cabinet careful study of larger parish idea as a possible solution of reaching marginal areas with a carefully planned Kingdom Building Program.

We recommend that two spiritual retreats for ministers be held, one in the southern and one in the northern section of the Conference.

We urge all District Secretaries of Evangelism to attend the Pastors' School and participate in the workshop on Evangelism, to be conducted by Dr. Thomas of the General Board.

We recommend that all District Secretaries as well as the Chairman of the Board and the Executive Secretary be sent to the National Meeting of Secretaries of Evangelism in Washington, D. C. November 28th.

We urge careful planning, looking toward the World Wide Evangelistic Program of 1953, as projected by the General Board and suggest that details of West Virginia Conference participation be ready for the adjourned session of the Conference this fall.

We commend the fine leadership of Reverend Earl Keenan as Executive Secretary, serving without salary, and recommend that he be continued in that capacity.

METHODIST HISTORICAL SOCIETY

Two years ago your Society set as its goal the writing of the history of the several Methodist Churches in our Conference, and to that end we wrote all the pastors in the Conference requesting them to secure the writing of the history of the Church or Churches they were serving. Only one hundred and sixty replied promising to do so. Last year we again made the request of all those who had not already promised, and only 40 replied promising to do so.

To date we have received a copy of only twenty-five printed and twenty-five typed Church histories, most of them too brief.

Your Methodist Historical Society has a large field of work and it can only be accomplished by the hearty cooperation of all the several members of the Conference.

Let us keep in mind history is a record of what has taken place in the past, and if we Methodist neglect to do our part our future will be uncertain. History is the foundation on which the Church must build for future success.

Up to this time your Society has made no attempt to collect papers, pamphlets and other things of Methodist historical value, due to the fact we had no place to safely keep such things, but now we do have.

West Virginia Wesleyan College has about completed the Annie Merner Pfeiffer Library on the College campus, and has taken definite setting apart a fireproof room in the Library for the use and benefit of your Methodist Historical Society. The room is 73 feet long and 31 feet wide, and Mrs. Florence C. West of Spencer, West Virginia, has, by her written agreement bearing date the 8th day of December, 1950, pledged and agreed to pay West Virginia Wesleyan College the sum of two thousand dollars, on or before three years after date, to be used by the College in equipping and maintaining a fireproof room in the Library building for the use and benefit of the West Virginia Methodist Historical Society, said room to bear a plaque showing that it was equipped and furnished by Florence C. West in memory of Reverend Joseph Alexander West, her father-in-law, and his son, Charles Fenton West, her husband, and which gift said College duly accepted on the 8th day of December, 1950.

In addition to Mrs. West's aforesaid gift for the use and benefit of our Society, she informs me she has recently made her will wherein, after making specific bequests to the amount of \$6,500.00, she gave West Virginia Wesleyan College one-half of the residue of her estate for the same purpose and use of our Society as named in the aforesaid agreement.

I am also informed that the widow of the late Judge Ira E. Robinson, has donated to our Society 85 volumes from the Library of Judge Robinson, comprising books dealing with Methodist history, among which is a set of the makers of Methodism, Thomas Coke, William Owen, Freeborn Garrettson, Nathan Bangs, Peter Cartwright, Bishop Asbury and Jesse Lee, Bishop Asbury's Journal (3 volumes) and Methodist Disciplines, a copy of the Sunday School Advocate of August 14, 1875.

We believe there is in the homes of the Methodist of this State many books, papers and various other things, including the table used by Bishop Asbury for Communion services when holding Conferences and other meetings in the Rehoboth Church, all of which are of great historic value, especially to Methodists, and which our Society should collect, before they are lost or destroyed, and store in our fireproof room at the College.

The old Rehoboth Church, located near the Town of Union, the county seat of Monroe County in this state, said to be the first Methodist Church built west of the Allegheny, is still standing and ought to be a most sacred place to every Methodist, no matter where he lives.

A very prominent minister has called our attention to the fact that the grounds around the old Church are grown up with weeds,

the fence is in bad repair, and the road leading from the hard surfaced road, not far away, is in poor condition, and in general has a neglected appearance.

It is a sacred spot and ought to be well cared for and made a mecca to which interested Methodist can journey and, in thought and purpose be lifted nearer to God.

Therefore, we recommend the Conference request the Trustees of the Church to which Rehoboth belongs, to transfer the title and its care and attention, to the Methodist Historical Society, and that the old Communion table be placed in the Society's fireproof room at West Virginia Wesleyan College for safe keeping.

Respectfully submitted,

Harvey W. Harmer, President

SUPPLEMENTAL REPORT

At the regular annual meeting of the Board of Trustees of the Historical Society of the Annual Conference of the Methodist Church, held at eight o'clock in the evening May 30, 1952 in Christ's Church, Charleston, the following recommendation and resolution was adopted.

We recommend that the Conference re-elect Rev. J. A. Earl and Rev. N. G. Barnhart as clerical members of this board, and that the Hon. Harvey W. Harmer be re-elected as a Lay member.

Resolved: That we express our gratitude to Rev. J. A. Earl for the excellent work done by him in reporting the activities of West Virginia Methodist in the Advocate Supplement, and that we recommend his retention in this capacity for the next Conference year.

Respectfully submitted,

FRANK S. WHITE,

Pres. Proteim

THE BOARD OF HOSPITALS AND HOMES

Bishop Wicke, Brethren and Delegates of the Conference:

At our first meeting a proposed Constitution and By-laws were presented and with changes, adopted. The committee on location was informed of prospects as to suitable locations. Investigations made. It has been a year of increased interest in the Home at Burlington, by pastors and people of this great Conference.

We wish to thank our resident Bishop, the District Superintendents, and pastors for their wonderful cooperation. The appointment of Dr. A. Coleman Brown as our Field representative and Superintendent of the Homes has proven a great asset. The Chairman has received many letters from people over the Conference expressing their appreciation of Dr. Brown's messages concerning the Home and other features of the work.

The Board recommends the re-appointment of Dr. Brown for another year.

Respectfully submitted,
RAYMOND L. MOORE,
Chairman

REPORT OF A. COLEMAN BROWN

Conference Director and Superintendent of Children's Home
Bishop Wicke, Members of The Annual Conference and Visiting Friends:

This, my first year to represent the Conference in the work known in our Church as Hospitals and Homes, has been perhaps the most interesting adventure of my ministry.

That is exactly what we are doing in this field—working with and for the salvation and peace of very needy and greatly troubled souls. You who are so observant of the plight of orphaned or deserted and neglected or delinquent children and youth, and have Christian compassion stirring in your breasts, know what I mean; likewise you who constantly visit the many anxious aged of our modern crowded and hustling communities, and the sick who long for spiritual counsel and healing—you know exactly what we are trying to get under way in our territory, and so many of you are lending a helping hand from all over this great Conference.

The living Christ, who challenges and leads his people into this field of Gospel service, equips them for the work by inspiring Christian stewards to furnish extensive campuses with many beautiful and useful buildings, extensive endowments, experienced and consecrated personnel. He even gives them great public favor and goodwill—with an abundance of hard, hard work.

All this He is beginning to do for us, as is evident, we trust, in the following statements of persons contacted, service opportunities encountered, lists of property and financial resources that have been available.

Fellow Workers With Him

That all this He is beginning to do for us is evident, we trust, in the following recorded facts. As individuals and through local Church and community groups, several thousands of thoughtful people have become our associates in the work.

The hundreds of letters that have been received and answered this year astonish and inspire me, and members of the Children's Home Staff, too, as the daily mail is opened. These letters tell of how thankful the writers are that their Church is beginning to provide them with an agency through which they may effectively express the Christian compassion that from time to time moves in their hearts.

NOTE: All statistics of finances, contributions and services in this report are for eleven months and subject to revision for the Annual Report at Conference Time.

Total number during the years as "Star of Hope child Shelter"—reported as	300
Different adults who have served on the Children's Home Staff during the year—all Christian persons with local Church and Church School experience	7

Contributions of money and supplies and visitors are coming from every corner of the Conference, and even as far away as California, and from other denominations. Bluefield District leads all the rest in contributions to the Fifth Sunday Offerings Fund. Every District has helped.

The small Home at Burlington has this year become a Conference-wide agency. Here are living together as one happy family children from Huntington, Clay, Parkersburg, Keyser, Paw Paw and Or-

chard Spring Gap. Staff workers have come from Burlington, Sutton, Webster Springs, Huntington, Charleston, Keyser and Clarksburg.

Advice and suggestions were made by personal conference on the part of the Conference Director or members of the Children's Home Staff, or by correspondence concerning possible help that might be available to the twenty-six children not admitted to the Home. We confess that this phase of the work has not been given adequate attention because of lack of time and staff.

We know of certain bequests that will probably come to the Children's Home through the Star of Hope channel. We have been told of recent bequests to the West Virginia Conference Methodist Children's Home. Acquisitions of resources from this service for the future are inevitable, especially if we continue to cultivate it.

Many have sought our advice and help in their desire to become adoptive parents. We realize how little help we have been to these commendable people. Real helpfulness here awaits an enlarged agency and additional staff. Satisfactory conversations with the State licensing authorities on this problem have been held this year.

We have diligently inspected several property sites that seemed to have some possibilities in them for serving as a central campus for the future location of our main institutions and headquarters. Certain ones were referred to the Property Committee. However, no completely satisfactory location has been found available to date. Conferences with interested parties have been held quite recently that may prove fruitful in the near future.

WILLIAM HENRY BARGER

On March 21, 1952 death came to a true friend of the Methodist Church, a worker in God's vineyard, William H. Barger, of Keyser, West Virginia. He was a member of Grace Methodist Church.

Born on December 9, 1877 at Petersburg, W. Va., the son of the late George and Hanna Elizabeth (Thalaker) Barger, he became interested in journalism at an early age. At the time of his death he was publisher of the Mineral Daily News-Tribune, one of a very few dailies in towns the size of Keyser (6,200 population).

For several years Mr. Barger served on the Board of Hospitals & Homes of our conference.

He endeared himself to West Virginia Methodism, when, at the session of the West Virginia Annual Conference held in Charleston, in September of 1949 he with the approval of his Board of Trustees, offered to our Conference The Star of Hope Child Refuge, Burlington, W. Va. He had been Manager, Treasurer and a member of the Board of Directors of this Children's Home since about 1917.

This Conference accepted the gift, a Children's Home with Assets totaling almost \$50,000.00. Thus Brother Barger's love for his Master and His Church gave the West Virginia Conference an excellent start in the field of Child Care. Another of the Master's disciples had made his life, his stewardship, count for the glory of the Kingdom.

He continues to live in the hearts of over 300 who, as children, found refuge and care under Mr. Barger's supervision. His love, and consideration for his church will live on and on as more and more children receive the care and guidance that the church can give through the perpetuation and growth of this gift.

*"Servant of God, well done!
Thy glorious war-fare past
The battle's fought, the race is won,
And thou art crowned at last."*

And now, be it resolved that we express to his widow, Mrs. Nellie P. Barger, to his sons and daughter and their families our deep sympathy and pray that the consolations of the Great Companion may bring them comfort and faith. Be it further resolved that a copy of these resolutions be mailed to his widow, a copy spread upon the minutes of the Board of Hospitals & Homes and the Board of Trustees of the Methodist Children's Home of this conference and to the secretary of the West Virginia Annual Conference.

PROGRAM FOR LAY ACTIVITIES**1952-1953**

We, your Committee on Program for the Board of Lay Activities, after careful consideration, take just pride in the presentation of our Program for 1952-1953.

First, a well informed and active Charge Lay Leader in every church, with an able Associate Charge Lay Leader and cooperation and counsel in carrying on the year's program. We recommend to our pastors that the Training Course for our Church Lay Leaders be given them as this work, which has been produced by our General Board of Lay Activities, has considerable thought and instructions for this work.

World Service

We recommend and will support a plan whereby our Laymen will know more about the World's Service Agencies. This plan is beyond us, yet we feel that our leaders are capable of bringing about a program in some of the departments of our organization. We maintain that a better informed church will be the means of increasing our offerings in a great way. We shall endorse any plan adopted by our leaders to advance World Service Information and education, which, we feel, will produce World Service Giving. Too many men in the Methodist Church do not know, as they should, about the world-wide interest of our splendid denomination. All sorts of misunderstandings grow out of this lack of knowledge.

LAYMEN'S DAY**Sunday, February 24, 1952**

Based on reports of our District Lay Leaders, Laymen's Day was observed in the vast majority (90%) of churches this year and the number of churches carrying out this section of the discipline is constantly increasing. The Laymen appreciate this cooperation on the part of the ministers to make Laymen's Day a significant event in the life of the church.

Dr. James E. Ward, Professor of Economics at George Peabody College for Teachers in Nashville, was chosen to write a theme on the subject, "The Mission of the Church—A Layman's View." Reports would seem to indicate that the pamphlet was well liked and widely used.

The theme was a timely one and was widely distributed over our church.

It is a source of inspiration to know that thousands of Methodist organizations throughout the world gave recognition to Laymen on this special Laymen's Sunday and most of them are delivering their messages simultaneously on the same subject. We hope, in our Conference, that each year will see a continued growth of Lay partici-

pation in the service of Worship on this significant day so that it might become one of the important events of the church year in each local church.

STEWARDSHIP

A booklet entitled, "Christian Stewardship in the Local Church" was published by the General Board of Lay Activities after many months of thorough preparation. It should be a genuine help to the Local Church in promoting the over-all program of Stewardship. The manual is concerned with and holds to the conviction that every follower of the Lord Jesus Christ, when he lives at his best, accepts the principle and practice of Christian stewardship and dedicates himself and all his possessions to the total Christian enterprise. It will lead to victorious Christian living.

We also wish to acknowledge the great work being done in our Conference by Reverend R. M. Parker and we do highly endorse and encourage all of our pastors to accept and use his plan in stewardship giving. Therefore, our organization endorses the plan of tithing and will use our means to encourage each of our laymen to adopt it as their plan of giving.

DAY OF COMMITMENT

Our organization endorses the widest possible observation of Day of Commitment. Our organization pledges itself to support any plan that our Church brings forth for the observance of this great week on our Church calendar.

METHODIST LAYMAN'S MAGAZINE and CHRISTIAN EDUCATION BULLETIN

It being the wish of both the General and Conference Board of Lay Activities, each local Church order a copy of the Methodist Layman and the Christian Education Bulletin for each member of the Board of Stewards or Official Boards. We also urge that each Layman in the Local Church receive a copy of The Methodist Layman. We recommend that each church promote the circulation of church literature by keeping a reading rack in each Church filled with appropriate folders.

We also pledge our support, renewals and new subscriptions to the Christian Advocate, believing that we should keep before our membership the desirability of getting the Christian Advocate into every Methodist home. We urge our churches to continue the use, in a liberal way, of The Upper Room and that extra copies be received for the use of our pastors in the homes where he visits new church prospects and in the hospitals. We recommend that our churches continue sending regularly The Upper Room and other church literature and church news to the men in military service.

CONFERENCE LAY LEADER'S ANNUAL REPORT

I consider it an honor and a privilege to have the opportunity to present to you my report for the past fiscal year, together with those of my associates, in order that you may consider carefully what has been done and a proposal for the future. I do not want to enter this report without first thanking God for the rich experiences of the past year. To me it marks another milestone in our progress for a better world. I thank each of you for your friendship, your counsel and your devotion to Christ and His Church. My associations with members of the Conference Board of Lay Activities have been rich and thought-provoking.

One cannot labor daily with Christian men without catching their spirit. To all of the members of the Conference Board of Lay Activities, I give my thanks. Each has contributed much to our progress. It has been my privilege to come to know and work under the inspiration of much of the leadership of this great church.

To these leaders, our Bishop, the District Superintendents, the pastors, the members of all the Conference Boards and other agencies of the church, my respect and sincere appreciation for their many courtesies and their splendid cooperation. Regardless of what the future may hold, I want to say that this has been a year in the life of the writer which has challenged him deeply to become a better Christian.

I have always believed it was inherent in people to be good. Today I believe there is a yearning more than ever before in the hearts of the masses of the people of the world for the good life, for peace and for brother-hood. Powerful opposing forces delay and endanger the realization of the dreams of millions. Starvation still runs rampant in a world of plenty. Disease still strikes savagely at the lives of millions of precious little boys and girls, despite the miraculous discoveries of science to cure.

Experiences in our great church have taught us that the Lay people are aware more than ever before of the world about them and their responsibilities to the people of that world. Its leadership in this hour, under the guidance of our clergy, must be steady, but it must also be bold in daring to do for God.

To this end we have worked during the past year. Indeed, to this end we must dedicate ourselves in the coming year and the years to come.

OUR ACCOMPLISHMENTS

First, it is with pride that we place in your hands the reports of our Conference and District Lay Leaders. The spirit of unity is evident in all of our work.

In our opinion the Lay Activities Program has had a wonderful year of success. We have a deep conviction that whatever success has come to the Lay movement in the past year has been due entirely

to the Lay Leaders, their District Superintendents and Pastors, who have been able to promote the work of the Kingdom. We can see real progress in the influence of the Methodist Church upon the lives of the Laymen in our churches.

It was our major objective during the year to organize Methodist Men's Clubs. A total of 62 were chartered, making a total of 124.

So that you may see more clearly the standing of the West Virginia Conference in total number of Methodist Men's organizations, only four other Conferences are ahead of us in number. We expect to continue the good work until every church in the West Virginia Conference has an active chartered group of Methodist Men.

Second, our Jackson's Mill Institute, which was held in May, 1951, under the leadership of C. N. Fannin, was largely attended, reaching a total of 244 present. The General Board of Lay Activities cooperated with us in letting us have Dr. E. Lamont Geissinger and Robert C. Williams.

FIFTH SUNDAY AFTERNOON INSPIRATIONAL RALLIES

We are trying to establish a custom for the Laymen of our Conference to hold Inspirational Rallies on the Fifth Sunday Afternoons during the year. The Charleston and Huntington Districts have definitely established this program. We hope that it will be possible for all of the districts to adopt this plan.

We have accepted the responsibility of paying for the Retired Ministers Annual Banquet. Each District will take its turn in paying for this. Last year the Charleston District paid the bill; this year Huntington District has paid it.

CHURCH AND DISTRICT PROJECTS

A few of the many projects reported to us include such items as: hospitalization for an elderly person without means, redecorated parsonage, purchased reading racks, sponsored financial campaigns, sponsored fish fries, concrete walks, built new parsonages, paid for new organ, sponsored Boy Scout troop, picnics, sponsored bulletin boards, helped children whose homes were destroyed by fire, delivered a wash tub of groceries weekly to needy families, supplied ambulance service for invalids to attend church service, held campaign "Meet You in Church Sunday," personal Evangelism campaigns repaired and painted church, laid tile floor in church school rooms, sponsored shuffleboards for youth, audio-visual pictures and many other projects. One other important project was to pay the grocery and gas bills and help a widow with small children to get assistance.

Charleston District sponsored and contributed to the following projects:

Sometime ago the "Methodist Men Church Builders" was organ-

ized on the plan of a Dollar for each new church and Fifty Cents for each new parsonage in the district which was approved by the District Board of Lay Activities. This work continues to grow and deserves the support of all concerned. It is maintained and kept going by the laymen under the direction of the district leaders. It is hoped more of our pastors will become interested in the plan of Methodist Men Church Builders. Approximately three thousand dollars (\$3,000.00) has been contributed to five projects, with three others approved for financial assistance during the next six months. Mr. J. A. Greenlee, Charleston District Lay Leader, is assisted by Mr. T. Sterling Evans, Associate Lay Leader and Mr. Howard Cutright, District Treasurer. One of the churches in the Charleston District was caught in an embarrassing condition recently when it had a bill too big to pay. Several of the leaders were called together and learned of the situation at a dinner meeting. The men raised the amount needed to relieve the condition and left the church where its members could take care of their obligations.

Space will not permit me to enumerate the projects the Methodist Men have taken care of. May I call your attention to the number of Methodist Men's organizations in the district "numbering about forty?"

Your Conference Lay Leader will be giving his earnest attention to the following goals this year:

1. The continued development of highly qualified Lay leadership.
2. The organization of, and preparation of programs for Methodist Men.
3. To remind the laity of the need to increase World Service Giving.
4. Full cooperation in every way possible with Bishop Wicke, the District Superintendents and our pastors.
5. Cooperation with each of our Conference Boards in promoting its program.
6. To encourage our Laymen to live a dynamic life in Christ as a testimony of their faith.
7. To promote the Week of Dedication in every church.
8. To promote Christian Stewardship Education and Cultivation in local churches as outlined by the General Board of Lay Activities.
9. To encourage each of our Districts to present the Instruction Training Course for our Church Lay Leaders.
10. To set a goal for each church of one tithing steward for each ten members.
11. To make Methodist Student Day, June 8, 1952, one of the major objectives among our laymen for a liberal contribution to the

Methodist Student Day Fund. Reports indicate that only one third of our churches contributed to this cause last year.

12. To encourage a definite time for our men to participate in the plan of Visitation Evangelism each week. It is our idea that no layman is excused from this plan of work for the unsaved, and this should be clearly emphasized by our pastors.

In conclusion may I covet your prayers and have the friendship of each one of you. And may I have your support as I attempt to hold before the laymen God's demand for a dynamic life as the absolute necessity to an inheritance.

Many Protestant churches are now developing spiritual organizations which require for membership that the laymen take a pledge of a Bountiful Duty; or a covenant to identify themselves from the world. The churches are fully aware that the reason so little is being accomplished today is because there is so much unbelief in the church. If men live dynamic lives, others will catch the gleam and His light will attract them to a better and nobler way.

Some of our leaders unthoughtfully minimized the requirements of the Methodist Men objectives and made their own interpretations as to the requirements, which we feel will defeat their purposes before they start.

I want to express my personal appreciation to each Officer and member of our General Board of Lay Activities, and to our Conference Board; to each Layman who shared his Christian experience with us to inspire us toward greater goals for the Kingdom; to Dr. W. S. Overstreet, whose loyal and enthusiastic cooperation was so graciously given us, and for the space we are permitted to use monthly in the Christian Education Bulletin to promote Laymen's Work in our Conference. For all of this we are most grateful.

May God's richest blessing be upon you as we look forward to greater achievements for Christ and His Church in the future.

T. E. Campbell,

Conference Lay Leader

METHODIST INFORMATION

While our first task is to furnish news to the Advocate Supplement, we reach many more people who need it more than the readers of the Advocate by getting our news and message in the newspapers—daily and weekly.

Since taking over March first, I have averaged two newspaper releases a week. And every one has been used—some by more and some by fewer papers.

E. E. Meredith of Fairmont writes several Methodist news articles a month for a chain of ten papers. Some of these, which are copied from the Christian Education Bulletin, are 8 inches in length. But he also writes original Methodist information stories too.

This year articles by your conference reporter have appeared in the Upper Room, Shepherds, Christian Education Bulletin and the Advocate Supplements.

The full page article, THE COUNTRY CHURCH AND THE NEWSPAPER, in the March Issue of Shepherds, page 20, has many profitable suggestions for inexperienced writers. The April Shepherd's article, page 25, shows how that when a person writes for the Upper Room he reaches many more people than he ever can in a life time of preaching.

One of the problems of Methodist Information is to get the news—to get it as soon after it happens as possible. However most of our pastors and churches are not news conscious.

Three things will help get more space in the newspapers: Write it on a typewriter and get it in as long as possible before the deadline. Put the climax in the first paragraph, telling who, what, why, when and where and sometimes how. Leave at least two inches of margin on the left and three or four at the top so the papers will have room to write their headlines.

Do not tell newspapers what to print. Submit your copy of stories, and if it is news, they will be glad to use it. If it is preaching or propaganda instead of news they will not use it unless it is supposed to be a sermon or speech you are reporting.

Your reporter expresses thanks to all who have sent him news stories, especially the district reporters and pastors. He has received many appreciative and encouraging letters from representative leaders. He also expresses thanks to the newspapers of the state for the large amount of space which they have given to Methodist news. However they know that church members constitute their largest group of readers.

BOARD OF MISSIONS AND CHURCH EXTENSION WEST VIRGINIA CONFERENCE SECTION NO. 1

The Conference Board of Missions and Church Extension has had one of the most active and fruitful years in the history of West Virginia Methodism. Much of the territory covered by our West Virginia Annual Conference constitutes a missionary challenge and oppor-

tunity unparalleled anywhere in the Northeastern Jurisdiction. To meet this great challenge has been a part of the work rightfully assigned your Conference Board of Missions.

As your agents in this tremendous enterprise we have endeavored to be good stewards seeking to merit your confidence through faithful service. Our dreams for West Virginia Methodism have surpassed our ability to attain them, yet the records tell of the advancements we have been able to make. We do not seek praise for our work; it is reward enough to know that we have been instrumental in serving our Lord and strengthening His Church in the West Virginia Conference.

Among the organizations of our conference interested in missions, the Woman's Society of Christian Service is particularly outstanding. We commend them for the splendid work they are doing, the projects they promote, and the fine spirit of Christian fellowship that prevails among them. Without their encouraging support Methodism would be severely handicapped.

In the field of cultivation and promotion, the work of our Conference Missionary Secretary, Rev. C. A. Hillman, is deserving of praise. Every section of the conference, and every pastoral charge, has had opportunity this year to hear the story of Methodist missions. A similar program is planned for the new conference year.

The achievements of our Executive Secretary, Rev. R. Moorman Parker, are praise-worthy. Unselfish in his time, and tireless in his efforts, he has served the Board of Missions and the conference in a commendable way. He has faithfully followed the original purpose for which he was appointed, and added additional services. In the field of church finance — building funds campaigns — he has been instrumental in raising over two million dollars for the Methodist churches of West Virginia. This service alone would justify the continuation of this assignment.

Since the Board of Missions was first organized under united Methodism, Mr. Homer W. Wiseman, has served as our secretary. The loyalty of this fine layman, and his devotion to this work has been a great source of inspiration to all of us. We are grateful for the fine service he is providing the church.

The detailed reports of our work will be given by the officers of our board representing the field of interest in which they have devoted their services. We earnestly seek your prayers and your support in the work that we are trying to do among the people of the West Virginia Conference:

Signed:

JAMES CLAIR JARVIS,
President West Virginia
Conference Board of Missions
and Church Extension.

BOARD OF MISSIONS AND CHURCH EXTENSION SECTION II

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The last year of the Quadrennium has found the Methodist Women of West Virginia busy. Of course, the officers who carry the responsibility from the local church to the Conference level have felt the press of duties more than others, but our Society is planned to reach the individual woman and this is our major duty. All the effort which we put into our many and varied training programs and our local, district and conference meetings is for the one purpose of reaching every individual Methodist woman with a spiritual challenge, creative activity and Christian fellowship.

The Annual Meeting held at Thomson Methodist Church, Wheeling, in September was a time of great inspiration and fellowship. Our special guests were Mrs. John M. Pearson of New York; Mrs. J. F. Rentz, President of Erie Conference W.S.C.S.; Mrs. L. F. Hemenway, Northeastern Jurisdiction Promotion Secretary; Mrs. Harold Metcalfe of Pittsburgh and Mrs. Forrest Goodrich, Northeastern Jurisdiction Secretary of Home Work. We adopted the total support of three new missionaries going out from West Virginia:

Miss Olive J. Ratliff, Huntington	to Korea
Miss Chlora T. Dean, White Sulphur Springs	to Africa
Miss Helen L. Bennett, Mt. Hope	to Africa

Our statistical report is as follows:

Number of Societies March 1, 1951	772
Number of Societies March 1, 1952	802
Gain of	30
Total present membership of Woman's	
Society plus Wesleyan Service Guilds	36,266
Number of Unorganized Circuits	93
Number of Unorganized Churches	469
Pledge to the Woman's Division	
June 1, 1952 — May 31, 1953	\$121,000.00

Respectfully submitted,

MRS. B. W. JOHN, President

SECTION III

REPORT OF CONFERENCE MISSIONARY SECRETARY

It is our belief that the West Virginia Conference has never had, in a period of one year, as much fine missionary education and cultivation as was provided this year. And it has never been better. Never

have we been able, in a single year, to reach as many people, and as many churches, with the thrilling romance of Methodist Missions.

The General Board of Missions and Church Extension made it possible for us to have the services of three men for about four months. These men, the Rev. Samuel Rahator, a Crusade scholar; the Rev. J. F. Minnis of the Bombay Conference; and the Rev. Douglas P. Cool of China, touched approximately 175 churches within the eleven districts.

A fitting climax to the Conference program of Missionary Education and Cultivation was the masterful report of Bishop Lloyd C. Wicke of his visit to our Mission field in South America.

For the second year, the program has been more than self-supporting. Eight of the eleven districts report \$714.00 after expenses were taken out. This amount has been sent to the Conference Treasurer, and directed to the Bombay Conference, and credited to the Advance for Christ of the reporting districts.

The program of Missionary education and cultivation for the Conference year 1952-53 is an ambitious one, covering eleven weeks as follows:

Bluefield District	September 7th.—12th.
Beckley District	September 14th.—19th.
Lewisburg District	September 21st.—26th.
Charleston District	September 28th.—Oct. 3rd.
Huntington District	October 5th.—10th.
Central District	October 12th.—17th.
Buckhannon District	October 19th.—24th.
Parkersburg District	October 26th.—31st.
Fairmont District	November 2nd.—7th.
Moorefield District	November 9th.—14th.
Wheeling District	November 16th.—21st.

To date we have three men scheduled for work in nine of the eleven Districts. Rev. Frank E. Manton, from Burma, for Bluefield, Beckley and Lewisburg Districts; Rev. C. W. Chappell, of Africa for Charleston, Huntington and Central Districts; Rev. Charles A. Long, of Brazil for Buckhannon, Parkersburg and Fairmont Districts. A fourth man will be secured for the Moorefield and Wheeling Districts.

We have been able to secure Dr. R. M. Thomas of Pittman Center, Pittman, Tenn., for a Mission Course and platform speaker in our Pastor's Woman's Society of Christian Service and Christian Workers School, West Virginia Wesleyan College, July 14-19. We urge pastors and Christian Workers to attend this school.

We pledge our fullest cooperation with any new direction given by the 1952 General Conference.

CARDEN A. HILLMAN,
Conference Missionary Secretary

SECTION IV REPORT OF EXECUTIVE SECRETARY

In addition to the apportioning of funds which has been the main function of the Board of Missions we have in the past four years tried to do certain other things. In most cases these have been done under the leadership of the pastors and District Superintendents. In all cases they have been done with their approval. We have aimed to do the following:

1. Assist the District Superintendents in promoting new Church Extension projects.
 - (1). By conferring with churches which were contemplating building Programs.
 - (2). By taking an architect to the projects and giving them free architectural advice from the beginning of the idea of building.
 - (3). By visiting churches contemplating fund raising campaigns.
 - (4). By directing Building Fund Campaigns.
 - a. For new congregations.
 - b. For new church buildings.
 - c. For new Educational Buildings.
 - d. For major remodeling where it created additional space.
 - e. For major debt retirement.
2. Teach courses in "Church Finance" at Leadership Training Schools and at The Christian Workers School.
3. Promote church budget income through the use of the "Loyalty Dinner Plan." This is a well-tested, highly successful "Every-Member Canvass" plan.

The following projects have been promoted since our last report. Each is a dramatic story of achievement by the God's Good people; pastors and church members alike. We regret that space permits only the barest sketch.

43. Wardenville. F. P. Look, Pastor. The history of this church goes back to 1800. Church School has an attendance of nearly 200; in a one-room church building that is 81 years old.

Architectural plans for a beautiful brick church to cost \$36,000 were drawn by A. F. Tucker, architect. A campaign goal was set at \$15,000.00. \$20,000.00 was raised. The building is well on its way toward completion.

44. Princeton. B. W. John, Pastor. In 1948 money was raised in an organized campaign for a \$90,000.00 Educational Building. This is now completed and is being used. \$70,000 was raised this year in

cash and pledges for remodeling and enlarging the sanctuary, which is the second phase of an over all plan. Giffin of Philadelphia is the architect.

45. Trinity. Mink Shoals, West Va., Carter L. Lykens, Pastor. This little country church, five miles from downtown Charleston, has 84 members. A survey showed 248 families living in the community. The Church School has grown until there is no place to care for the children. The fund raising banquets had to be held in an abandoned school house. \$29,000 was raised in cash and pledges. About \$9,000 was raised in cash. A. F. Tucker is the architect. The building is just about completed. This church has raised five times as much as the formula used by a fund-raising company would indicate.

46. First Church Beckley, Carden A. Hillman, Pastor. The history of this church goes back 100 years. The present church was occupied in 1930. It has been so heavily in debt that as early as 1935 the Educational plant was divided into four apartments and rented to help pay the interest. \$22,000 was raised in the financial campaign this year, freeing the congregation of debt and releasing for use the Educational Building that would cost \$125,000.00 to build at present prices.

47. Sophia. R. H. Kennedy, Pastor. The Sophia Methodist Church (Tabernacle) was started 14 years ago. The Church School has grown to an average attendance of 200, all meeting in one-room church. They had saved \$10,000 toward a new church. On a goal of \$30,000 they raised \$31,936 at the "Forward Step Banquet". They went on to raise \$35,000. The new church building is adequate and is already under roof.

48. Glen Dale. Virgil R. Gillum, Pastor. This congregation has made outstanding progress. It is the only church of any denomination in the town. Three years ago in a little white frame church they began to dream dreams of an adequate brick church. Plans were drawn, money was raised, the new church was built and all indebtedness underwritten with solid pledges. The total cost of the building is \$95,000. Two campaigns have been conducted, the second one this year at which time \$24,000 was raised to cover indebtedness.

49. Mullens. O. H. Dorsey, Pastor. Although the congregation completed their new church ten years ago they have already outgrown their facilities. A residence adjoining the church has been purchased and remodeled into Church School departments. To cover this new purchase and to make certain emergency repairs a campaign for \$25,000 was launched. \$32,500 was raised in cash and pledges.

50. First Church Clarksburg, J. E. Hanifan, Pastor. On September 4, 1951 this church burned. The architect estimated that it would cost \$750,000 to rebuild. The church had \$250,000 in insurance and other funds leaving a need for \$500,000. Thinking \$500,000 goal beyond reasonable expectation of reaching in one campaign a goal of \$350,000 was set for the campaign. 500 people attended the For-

ward Step Banquet at the Masonic Temple. \$366,000 was raised in cash and pledges at the banquet. A total of \$442,711.00 was raised during the campaign.

51. Wesley Church, Vienna, W. Va. Cecil McMillion, pastor. The history of this church goes back more than 100 years. The present building is 80 years old. A community of 7,000 population has grown up near this church. The old white frame building which doesn't even have the convenience of running water is inadequate. The crowded and antiquated facilities make a new building imperative. Good architectural plans, approved, have been secured. A financial campaign yielded \$38,000 in cash and pledges toward the first unit of a complete new church.

52. First Church, Elkins. Ross Culpepper, pastor. The overcrowded conditions here make necessary a three-phase extension program. First, the erection of a \$50,000 educational unit. Second, the remodeling of the present church school building to tie in to the new building. Third, the elongation and remodeling of the present sanctuary which will double the seating capacity.

In a financial campaign for \$50,000, \$73,000 was raised in cash and pledges.

Expressions of appreciation are due S. A. F. Wagner, C. A. Hillman, A. J. Young and Virgil R. Gillum who have assisted in setting up campaigns. And to Ross Linger, R. H. Daugherty, John Hollister, R. S. McClung, Harry F. King and W. S. Patterson, District Superintendents in whose districts these projects have been promoted.

With thanks to Almighty God for the challenge of great opportunities; for health with which to work; for Brethren in Christ with whom to labor, and for the success with which He has blessed our efforts, I submit the foregoing report.

Respectfully,

R. MOORMAN PARKER,
Executive Secretary.

REPORT OF PENSION FUNDS, INC.

Pension Funds, Incorporated has directed itself toward one high and worthy objective, that of helping to produce a better income for retired ministers. No one, not even those helped most, can possibly know how much "behind-the-curtain" work has been done to help lift the level of support for those who have given a life-long service to the ministry.

Reward has come in that pension money has continued to flow in this year from charges with unpaid balances. Many pastors have the same determination as formerly to see that the remnants are gathered up. It is important if all charges are to share alike that all unpaid balances be cleared at the earliest possible date.

A TOTAL OF \$40,709.15 HAS BEEN RAISED TO MAY 1, 1952, INCLUDING \$887.50 NOT CREDITED TO RESERVE PENSION AND \$1,050.00 FOR OUR PERMANENT TRUST FUND. THERE IS A BALANCE YET DUE ON PENSION PLEDGES IN THE AMOUNT OF \$59,636.23. IT MUST BE ASSUMED THAT THIS BALANCE WILL BE PAID IN THE NEAR FUTURE SINCE NO CHURCH IN THE CONFERENCE HAS REPUDIATED ITS PENSION PLEDGE.

\$5,723.00 has come as special gifts over and above group gifts in clean-up drives. One will has been written and others are being cultivated.

The following shows the status of the Reserve Pension campaign:

When the Million Dollars has been raised we will be far from the goal which was intended in planning the program in 1945. Inflation demands a reconsideration of our total pension program. When the Reserve Pension program was set up the average salary was approximately \$2,070.00. The average salary is now more than \$3,600.00 and is increasing rapidly. This inflation, which was not foreseen then, means that some of our reserves will be depleted much sooner than had been anticipated. How shall we meet this situation? Last session our conference increased the assessments on Conference Claimants to 14% in order to lift our current pension rate. This increase was for current distribution and yet our increased rate will not be adequate with prices ever soaring. After the new increase becomes effective we will still be \$8.00 below our Disciplinary rate of \$36.00 per year of service. It is imperative that we find new sources of revenue if we are to have an adequate pension rate for our claimants now or if we are to carry out our plan of entering our ministers into the Reserve Pension Plan.

In the light of these facts your Board makes the following recommendations:

FIRST, THAT the Day of Remembrance be observed in every church on Sunday, November 16th. by presenting the needs of our claimants and by taking an offering for the cause.

(a) That appropriate literature be prepared for this observance and that the cost of the promotion be paid from the receipts of same;

(b) That on request of an individual church, its Day of Remembrance offering will be credited to its Reserve Pension Pledge.

SECOND, THAT each church which owes a balance on its pledge to the Pension Fund take the necessary steps to insure payment in full prior to April 30, 1953.

THIRD, THAT an aggressive effort by all members of the conference, both clerical and lay, be made to aid in the promotion of the total pension program.

FOURTH, THAT the Executive Secretary, with the cooperation of both clerical and laymen of the conference, promote vigorously a program aimed at securing special gifts and bequests for the Reserve Pension Plan.

FIFTH, THAT the Conference Claimants rate remain 14% of the pastor's salary.

SIXTH, THAT the annuity rate for the ensuing conference year be increased to \$24.00 per year of service, plus \$4.00 from the Reserve Pension, for conference members and \$20.00 per year of service, plus \$4.00 from the Reserve Pension, for special conference claimants.

SEVENTH, THAT the sum of \$1,200.00 be set aside for emergency relief of our claimants.

EIGHTH, THAT the budget for 1952-53 be set at \$9,975.00 and that it be charged equitably to the Reserve Pension Fund, the Conference Claimants and the Permanent Trust Fund.

NINTH, THAT the conference approve the years of service as full-time Accepted Supplies the names that follow in answer to Disciplinary question 43 under provision of paragraph 1630, section 16 and paragraph 1631:

THE REPORT OF THE COMMITTEE ON RESOLUTIONS TO THE WEST VIRGINIA ANNUAL CONFERENCE

May we take this occasion to express our deep appreciation and gratitude for the numberless courtesies and kindnesses that have been ours as an annual conference during these past days. This One Hundred Seventh session of the West Virginia Conference has been marked by a particular note of optimism due to the victories of the past year and the decisions here—made for the future. Our optimism is further enlarged by witnessing the great group of men received into our Conference On Trial and Full Connection or ordained as Deacons and Elders. Surely the Lord has answered our prayers for laborers in the fields of harvest.

We desire to thank the Local Committee for the excellent planning of program and arrangements that have made this Conference so successful; the General Chairman, Dr. Lacy H. Burns; the Program Chairman, Dr. B. Elmo Kelley; the Chairman of the Committee on Housing, Rev. Albert R. Young; the Chairman of the Committee on Arrangements, Rev. S. A. F. Wagner; and the host District Superintendent Dr. John W. Hollister. We wish also to thank Carl K. Gilchrist who acted as Conference Treasurer; Rev. Irvin Fisher and Mr. D. H. Alexander of the mail and information service; the girls of the Charleston Methodist Youth Fellowship, who operated the check room; and the many others who labored so many unseen hours to type and record the vast amount of records for the Conference.

We are particularly indebted to the guest speakers of the Conference: Dr. Gaston Foote, Fort Worth, Texas; Dr. A. J. Walton, Divinity School, Duke University; Dr. Frank D. Slutz, Dayton, Ohio; Dr. Nolan B. Harmon, Book Editor, New York; to Dr. Harold Carr, Lakewood Methodist Church, Cleveland, Ohio, and P. Gordon Gould, of the Alaskan Mission.

We are very grateful to Dr. Leonard Riggleman and the Morris Harvey College staff who have so graciously granted us, without cost, the use of the College facilities for most of the Conference sessions. Our thanks also to Mr. Harold Ewing of the College staff who has led the singing in our conference sessions and provided so many talented choirs and soloists. We have enjoyed so much the special music of the Conference.

We would like to thank the City of Charleston for its fine hospitality and for making the Municipal Auditorium available for our use. The generous hospitality of the city has added greatly to the spirit of the Conference.

Our gratitude is extended to include others whose services and gifts have helped in the success of this Conference. The Woodrum Home Outfitting Co.; the Young Floral Co.; and the Diamond Department Store, whose services have gone beyond the bounds of hospitality. We wish to thank the local Churches and other organizations that opened their doors for banquets and special services, as well as,

lending furnishings and workers to make the Conference more enjoyable for all. Our thanks must also go to George C. Pask and his staff from the Methodist Publishing House in Pittsburgh; to Mr. John D. Polasko and his staff of ushers; to Rev. Rollo J. Matheny, who was so faithful at the piano; to Tom E. Campbell who provided such a fine layman's program; to Dr. Lester Rouch, Vice President of the Board of Pensions; Dr. G. Ernest Thomas, of the General Board of Evangelism; Robert G. Mayfield, Executive Secretary of the General Board of Lay Activities and to Rev. Paul Wagner, Udgir District Supt., Bombay Conference, India, for their splendid presentation of the work of their various boards.

We could not close this report without expressing our thanks to our Resident Bishop Lloyd C. Wicke for his inspiring leadership during this Conference. As we continue to sit under his administration we are made more and more aware of his personal interest in each man and the problems we face. Some tremendous and controversial issues have been dealt with this year and due to the alertness and democratic spirit of our Bishop decisions have been made with clarity and unity of purpose. It is our prayer that God will continue to bless our Bishop and his family with continued strength and wisdom to serve the needs of the Pittsburgh Area and the Kingdom of our God.

Respectfully Submitted,
D. R. HELMICK,
E. WENDALL ESKEW.

WEST VIRGINIA BOARD OF TEMPERANCE

By Joe Dryfield, President

In the biennial meeting of the Presidents of Boards of Temperance at our famous Methodist Building in Washington, the author was impressed by a colorful description of the "Present Situation," given by Deets Pickett, specialist in research for the Board of Temperance. In part, Mr. Pickett said:

It would be well if the members of the West Virginia Annual Conference would consider this report as an attempt at such a briefing. We are at war with a great evil. One so vast in its economic, political and social aspects and involving such precious principles of morals, that we do not dare attempt dealing with it except in a spirit of dedication. But we need not only a spirit of dedication and a realization of the immensity of the task, we need, and are justified in having, a spirit of complete confidence, for our cause is just. It is the cause of humanity and of the Heavenly Father Himself.

We have to know not only what there is to do, but what we have to do it with, and so a discussion of the present situation is presented in an effort to present a pattern of analysis and planning.

The present situation is a result of the custom of drinking and the operation of a traffic which serves that custom for profit. Since the repeal of prohibition and the reestablishment of the liquor traffic as a legal business drinking has increased approximately two and one half times. We have the word of the Licensed Beverages Inc. that illicit production and consumption of alcoholic beverages today exceeds the moonshining and bootlegging of the Prohibition Era. The close correlation of drinking and all the evil consequences of drinking are clearly indicated by the records of the Federal Bureau of Investigation, which show that arrests for drunkenness and for drunken driving have both increased at exactly the same rate two and one half times since the first year of repeal. The problem of Alcoholism is fourth in the interest of public health to-day has been given increased attention by the universities, psychiatrists and psychologists, physicians and social workers. According to figures released by Dr. E. M. Jellinek of Yale University, there were 600,000 alcoholics in 1940 and 950,000 today. This does not include the addicts or common drunks who have reached the final stage of alcoholism, nor does it include untold numbers of other problem drinkers.

For years there has been a steady disregard, almost a contemptuous disregard for the righteous convictions and deep-seated feelings of millions of American people. We cite in support of this statement the continuing invasion of Christian homes by liquor advertising, which makes use of radio and television to indoctrinate children in a custom which menaces the welfare of their very lives.

The major temperance groups in West Virginia are represented by the Board of Temperance of the Methodist Church, the Women's

Christian Temperance Union and the National Temperance League. Integrated educational work is being done in some other churches on a small scale in the state. The Board of Temperance has been existing through the years, seemingly with the understanding that it make an annual report. Until the last two years very little of a constructive nature had been done, largely we believe because there were no funds available. Therefore, last year we attempted to get some funds for the use of the Board but in spite of much effort on the part of the President of the Board, our temperance picture was not accepted widely nor shown often enough, nor were the offerings sufficient to more than pay for the postage and royalty fees. Three of the largest of our churches have yet to send even a single penny in offering and yet they used the picture for several days.

Your Board needs money if it is to adequately function. It has come to our attention that money for the cause of temperance has been raised by Bible Classes and other groups and given other agencies outside the church. Therefore we believe we are justified in asking that in any future case one half of such offerings shall be sent to the Conference Treasurer for use of the Annual Conference Board of Temperance.

Another problem, we believe needs clarification. In the matter of selection of trustees to the Temperance League of West Virginia, we feel that these trustees should be in some way connected with the Board of Temperance of the Methodist Church. We feel that they should be selected with care and that they should either be active in the field of temperance or also members of the Board of Temperance. They, like the members of the Board of Temperance have not been active in many cases. We therefore recommend that the nominating committee bear this in mind this year in selection of temperance trustees.

The Board of Temperance is one of the Committees for Social Action. It must of itself be active if it is to have results. Again, we of the Board of Temperance urge that the nominating committee shall use the utmost care in the selection of its membership, being careful that only people interested in the work of social action, who are willing to accept such a responsibility if elected shall be given consideration for this important committee.

We therefore, respectfully and sincerely ask that the nominating committee shall include the following persons in its selection: One ministerial delegate from each of the eleven districts as recommended by the present district superintendent, and seven laymen chosen because of their interest in the work of temperance from the layman's standpoint. We respectfully ask that the laymen be chosen by the lay members of the annual conference and recommended to the nominating committee for election. This plan has been suggested to the Annual Conference Lay Leader and he is willing to put it into force. In so doing we shall have a Board of Temperance that can do things. If these layman chosen are representatives of the WSCS, and

of the Methodist Youth Fellowship and Methodist Men, much can be accomplished.

Last year Commitment Day was observed in sixty-five charges representing one hundred and thirty churches, as reported to the President of the Board of Temperance. According to the same report this represented members of West Virginia Methodism. Twenty pastors reported that they did not plan to observe Commitment Day and the rest failed to return the information card. For the most part, it seems that pastors are not in accord with Commitment Day as it is planned by the General Board and a few feel that there is a better way of fighting for total abstinence. However none of these have presented their ideas to the Board and we shall continue to attempt to put in practice whatever plans are suggested by the General Board which we believe consists of farsighted and experienced men in the field of temperance. However we feel that perhaps many ministers do not observe commitment day and fail to preach the annual temperance sermon as prescribed by the Discipline because of pressure brought to bear upon them by prominent laymen, active in the Liquor Business, or members of their official Boards who feel that the Methodist Church has no right to expect total abstinence from its members. If the above is true, then it is an unhappy condition and we need to call upon Almighty God for forgiveness for failing to "Open our mouths to the Lord and our ears unto that same Lord of Life and hope and ultimate victory."

During the coming year it is hoped that we shall be able to accomplish the following: (1) Send two delegates to the School of Alcohol and Social Action, at Bloomington, Illinois, June 16-20. (2) Provide a qualified teacher for teaching a class in the Christian Worker's School at Buckhannon. (3) Hold at least one district clinic in each district of the West Virginia Annual Conference. (4) Observe Commitment Day in more of our churches. (5) Reorganize our Board for action with the following representatives: One minister from each of the eleven districts, chosen on recommendation by the district superintendent; two representatives from the Woman's Society of Christian Service; two representatives from the Methodist Youth Fellowship and three representatives from Methodist Men or from the lay delegates to the annual conference.

Respectfully submitted,

J. BERNARD DRYFIELD,
President Board of Temperance

REPORT FOR THE COMMISSION ON TOWN AND COUNTRY WORK

The Commission on Town and Country Work is attempting to create a greater interest and concern by the Annual Conference for the churches of the town and country. Since the W. Va. Conference is composed mainly of such churches, we feel that we have a great responsibility and opportunity. The Commission is working in an advisory capacity with the other Annual Conference boards and agencies, to improve the work of town and country in W. Va.

In order to help in the advancement of rural Methodism, we have contacted Dr. Roy Albert Sturm, Director of Research and Surveys for the Department of Town and Country of the Board of Missions of the Methodist Church, to come to the W. Va. Conference and make a complete survey. We feel that such a study will help to show us our needs and thus, we will be able better to meet these needs and find approaches to the solution of our problems.

1. We recommend that the churches of our state be urged to improve the interior and exterior appearance of the church buildings and to improve the church grounds. We also ask that the Conference Board of Missions do what it can in providing financial assistance (both by grants of money and providing leadership in helping the local church to raise the necessary funds) to the rural churches.

2. We recommend that the Conference Board of Missions make a special effort to provide help to the small rural churches in setting up a sound financial system. This may be done by helping a few churches make an every member canvass and use these as examples.

3. We recommend that the Board of Education in conjunction with the District Superintendents, set up schools or seminars for town and country ministers. Also, we recommend that our conference ministers be encouraged to attend one of the Town and Country Schools and the Supply Pastor Schools at one of our Methodist Seminaries. We ask that the laymen of the local church do what they can to make it possible for their pastor to attend such schools.

4. We urge that a higher minimum salary for pastors be obtained in the Annual Conference. The following are suggested as possible sources of income for increasing the minimum salary: (1) Churches pay a higher percentage; (2) pastors pay a higher percentage in proportion to their salary; and (3) the District Superintendents' Fund percentage be changed to $6\frac{1}{2}\%$ and the Minimum Salary Fund (Church) be made $1\frac{1}{2}\%$. We ask that every possibility be considered in this important matter.

5. We recommend that the Cabinet and the Board of Missions of the Conference, set up one or two larger parishes as pilot studies.

6. We recommend that the Conference Methodist Youth Fellowship consider ways in which young people may be assisted and encouraged to find a place on the land and in the community. Also, that they consider possible ways in which they might help youth to obtain scholarships for agricultural colleges.

7. We urge that more people of the town and country churches be considered for membership on the Conference Boards and Agencies. We feel that since the W. Va. Annual Conference is predominately a rural conference, that this is important for the success of Methodism in W. Va.

8. We urge that all churches (both rural and urban) observe Rural Life Sunday.

9. We recommend that the Board of Lay Activities incorporate in their Laymen's Institute at Jackson's Mill a study of the rural church.

10. We ask that the Conference Boards and Agencies contribute \$50.00 a piece for a budget for the Town and Country Commission.

11. We recommend that the Board of Evangelism do what it can to help in the assimilation of new members in our country charges. Many churches have failed to assimilate large numbers of conversions in the revival meetings held in their churches.

12. We urge that a Methodist Rural Fellowship be organized in the Annual Conference.

13. We ask that Bishop Lloyd C. Wicke appoint Rev. Cecil McMillion as Conference Secretary for Town and Country Work.

COMMITTEE ON WORLD PEACE

We your Committee on World Peace, of the West Virginia annual Conference of the Methodist Church, submit the following report and resolutions:

I—THE CHURCH AND WAR

We are convinced more than ever that the Church should be a potent force in world affairs, not to dominate or coerce the governments, but to give them moral and spiritual support. Certainly we cannot afford to be complacent and indifferent when matters of grave importance confront the peoples of the world. Church people should keep well informed on all matters of military and foreign policies, and thereby be enabled to present a united front, speaking the mind of Christ on such matters. We should not wait until war comes to speak, but speak our convictions with courage and clarity against the conditions which cause war, and as courageously for conditions which make for peace. We will never prevent war until we correct the conditions that cause them.

WHEREAS, *confronted as we are by opposing ideologies and threatened by a crisis profound in depth and global in scope, which could result in another world conflict more devastating and savage than any ever known*, and, on the other hand, feeling that the church has a distinctive responsibility in shaping the destinies of mankind, we offer the following resolutions:

BE IT RESOLVED that we call upon the President of the United States, the congress, the political parties, the delegated representatives, both military and civil, to cooperate in a spirit of mutual trust and understanding in our foreign policies. We are all Americans, whether Democrats or Republicans, conservatives or liberals, with common aims and interests, and cannot afford to maneuver for political advantage or other selfish ambitions when such grave issues confront us. We should not only cooperate to end the war in Korea, and to prevent war in Europe, but to cooperate with other nations in correcting the abuses and grievances which cause wars. We are inclined to believe that if we would spend one fourth as much effort and money in the cause of peace as we do in the cause of war there soon would be no wars.

BE IT RESOLVED that we are as much opposed as ever to Universal Military Training, or any other form of military training, as

a permanent program in our national life. We think it has been adequately proven that such a program is not only un-necessary but that it would actually contribute to needless and excessive military expense and to war. Those nations which have adopted military conscription and military training as a permanent policy have been the greatest offenders in war. We have plenty of patriotic and courageous young men who will answer the call of their country when military service is needed. We deplore the efforts of military proponents in their incessant efforts to subtly slip through Universal Military legislation under the guise of emergency.

BE IT RESOLVED that we look with disdain upon the use of the Atomic Bomb, the Hydrogen Bomb, and other means of mass destruction, especially on cities and areas of little or no military importance. While we recognize the existing danger with other nations around us developing and threatening the use of such destructive instruments, and the need of ample defense for ourselves and other free nations, we call upon our government to make use of these instruments only if ours, or other free governments, are attacked, and then only on military centers, or where their use is a necessary defense against enemy attacks.

In view of the war hysteria, and the many conflicting opinions as to conditions in the world today, *we petition our government to set up a fact-finding commission to make a thorough and impartial study of the world situation, that facts may be known, and a united policy pursued. While we would sanction reasonable support for the free nations of Europe and the Near East against enemy threat of military attack and invasion, we look with disfavor upon the United States going to excess in creating a military machine in those areas. Through reliable sources, we are being informed that those nations have no such war scare as we have in America, and to date, are not accepting their share proportionately for their own defense. We call upon our government and military leaders to use the greatest precautions in advancing a military program in those areas.*

We believe with the application of the Christian principles of understanding, fairness, and good-will to our problems in China, Europe, the Near and Far East, we can end and eliminate war.

BE IT FURTHER RESOLVED that we call upon our government to continue support and cooperation with the UNITED NATIONS in securing justice and peace throughout the world. Withstanding some needed changes in the constitutional setup of the United Nations, we believe it to provide the technique for the peaceful settlement of problems and disputes. As it took years to weld the American colonies into a strong Union of United States, so it may take time to formulate the United Nations into a strong organization for world peace and justice throughout the world, but with courage, patience, determination, and the prayers of the Christian people, we believe it will come about.

BE IT ALSO RESOLVED that we favor the cooperation of the United States with the United Nations in reduction of Armaments at the earliest possible time. We recognize the need for national defense, and the defense of free peoples of the world, and would not prevent the defense program as long as threat and danger exists, but to continue to rely primarily on military force undermines the spiritual and economic foundations of peace, and diverts the wealth and manpower from the constructive pursuits of peace. Ideas are conquered by better ideas whose truth has been revealed in practices that enrich life rather than destroy.

II—THE CHURCH AND PEACE

WHEREAS peace rather than war is the goal of the church, and the church has within its control those curative and creative forces which make for peace, we should not only condemn war as a violent and un-Christian method of settling disputes and grievances, but take a courageous and positive stand in creating the will for peace. With this fact in mind we offer the following resolutions:

BE IT RESOLVED that we emphasize with prophetic compassion the Gospel of Christ, and the entire New Testament scriptures, as the hope of national and international peace, and that we press with holy vigor the Gospel of our Lord through evangelism and missionary endeavor. We must teach, preach, and live the Fatherhood of God and the Brotherhood of all mankind, cooperating with every movement seeking that common goal.

We call upon our people, ministers and laymen alike, to become enthused and deeply concerned for the cause of peace. *Study the new declaration on world peace and human relations as adopted by the recent session of our General Conference, making use of it in sermons, study groups, panel discussions, and seminars. Set up your peace committees in every church. Make use of visual aids, dramas, and the many fine pieces of literature coming from our church press. Cooperate with the Commission on World Peace, and with your Conference Committee in a program of vigorous peace activity. We earnestly request all our ministers to preach sermons on peace on or around Armistice Day (Nov. 11th) and United Nations Day (Oct. 24th) and at such other times as the opportunity comes, and that pastors and laymen leaders take the initiative in promoting peace programs in the local churches.*

BE IT RESOLVED that the District Superintendents and pastors cooperate in promoting peace seminars throughout the Conference. Other Conferences are making use of these with good results; why not ours? We suggest that at least one seminar be held in each district during the year and more if possible. We do not think it asking too much for each pastor to promote a seminar in his church or charge. Our people need to be given an opportunity to know what the leading minds are thinking on peace and world matters, and an opportunity to discuss their importance. Most people are confused because of the wide

differences of opinions among government leaders, and the conflicting reports in news articles and over the radio. They need information from reliable sources which we are able to give.

BE IT RESOLVED that in order for our Peace Committee to be enabled to cooperate with other peace agencies, and to be of greater service throughout the Conference, the Commission on World Service and Finance grant the Committee the sum of one hundred dollars for promotional expenses throughout the year. Other conferences grant from fifty to five hundred dollars per year for their Committees, while our Conference does not pay for postage and correspondence materials.

BE IT FURTHER RESOLVED that a copy of this Peace Report be sent by our Conference Secretary to the following: The president of the United States; to each member of the Congress from West Virginia (Senate and House); to the Chairman of the Armed Services Committee; and the Chairman of the Foreign Relations Committee.

Respectively submitted,

VII. MEMOIRS

SHIRLEY LEE COTTRILL

Rev. Shirley Lee Cottrill was born at Pullman, West Virginia, May 25, 1898. He died October 23, 1951, in the parsonage of the Amherstdale church, Amherstdale, W. Va. Funeral services were held in Christ Methodist Church at Sutton, W. Va., conducted by Dr. J. M. Helm, Dr. H. R. High, and Rev. Harry R. Wilson. Interment was in Heavener Cemetery, Buckhannon.

He was received on trial by the West Virginia Conference of the Methodist Episcopal Church in 1928, and was received in full membership in 1931. He served the following pastorates: Shultz, Smithville, Waverly, Renick, Webster Springs, Central Methodist, Adamston, Sutton, and Amherstdale, his last appointment of six months.

During his ministry in Webster Springs, he built a new church at Barton and Diana. While at Buckhannon he refinished the Church and Parsonage inside and out, together with an increase in membership of one hundred and fifty—largest in the history of the church. After going to Sutton he was instrumental in uniting the two churches, (First and St. Paul), also the completion of St. Paul, now called "Christ Church Methodist". He also was instrumental in organizing a Sub-District Youth Fellowship and a Ministerial Association for Braxton County. In his stay at Amherstdale he had reorganized the church and Sunday School and set the financial system on a pledge basis, together with the decoration of the interior of the church and parsonage. Plans were laid to remodel the church and build a number of new church school rooms.

He received his formal education in the public schools of Ritchie County, Mountain State Business College, Salem College, and the Mt. Lake Park School of Theology, Mt. Lake Park, Maryland.

He taught school in Ritchie, Doddridge, Pleasants and Webster counties for twelve years. He was the principal of Diana School in 1945.

He is survived by his widow, Mrs. Shirley Lee Cottrill, three sons, Hershal of Buckhannon, Trevy and Donald and one daughter, Mrs. Paul Gillespie.

He was a faithful friend, a splendid preacher, and devoted father and husband, a Christian gentleman of the highest type. In his going, the Church has sustained a great loss — of the Abrahamic type. He set his goal toward "a far-country" and was faithful in all his duties and responsibilities that were given him by his church, which he loved so well.

LLOYD FAST

Lloyd Fast was born January 27, 1876 near Fairview Methodist Church in Marion County, West Virginia. He was the son of John Adams and Ronna Carpenter.

As a young man he attended the public schools of Marion County, graduating from the Fairmont Normal. After teaching school for two years he answered the call to ministry. Lloyd entered the Taylor University to further his education.

Upon entering active ministry he served one year (1909) as an accepted supply and was ordained the following year.

Brother Fast was a faithful ambassador for God for ten years. He served his appointment with a fervent spirit, spreading sunshine into the heart of many. Due to failing health he retired in 1920. Seldom was his physical body without pain but he continued telling the story of the Savior to those around him.

He died January 25, 1952 in the Parsons Rest Home, Parsons, West Virginia. His funeral was conducted by Rev. Charles E. Potts of the Norwood Methodist Church. Burial followed in the Mt. Zion Cemetery.

Brother Fast is survived by a brother Dorsey Fast, and a sister Rosa Hawkins, both of Fairmont, West Virginia who mourn his passing with a host of friends.

LOGAN S. GROSE

Logan S. Grose was born October 11, 1867 in Nicholas County, the son of William and Rebecca Stephenson Grose. Mr. Grose was 83 years old at the time of his death, August 23, 1951. He was married to Ella Brown, who preceded him in death in 1932.

Mr. Grose was educated in the public schools in Nicholas County and was graduated from West Liberty Normal and Bethany College. He taught in Nicholas County schools before studying for the ministry.

In 1894 he was admitted to the West Virginia Conference and served in a number of churches in West Virginia and at one time was District Superintendent of the Buckhannon District. He was serving at the Broad Oaks Church in Clarksburg at the time of his retirement in 1941. He was honored with an honorary doctor of divinity degree from the West Virginia Wesleyan College, was a member of the Buckhannon Lions Club, was a past president of the Sons of the American Revolution and for a number of years served as Trustee of West Virginia Wesleyan College.

Mr. Grose is survived by his second wife, Mary Lowry Grose; one daughter, Lois Margaret Grose of Pittsburgh, Pennsylvania; and one brother, Walter Richmond Grose of Huntington.

WILLIAM HAMPTON HART

William Hampton Hart, a retired Methodist Minister, passed away November 23, 1951 at his home in Jane Lew, West Virginia. He

was born December 10, 1861 in Morgantown, West Virginia and was the son of John Thomas and Susan Tapp Hart. He is survived by his wife, Artie Goodwin Hart, two sons, Locksley H. of Montgomery, Alabama, and Wilbur S. of Birmingham, Alabama; one daughter, Myra L. of Pittsburgh, Pennsylvania; four grandchildren and one great grandchild. Before entering the Ministry Rev. Hart served as a teacher in the public schools. He was minister of the Methodist Protestant Church and served actively for more than 48 years. He was proud of the fact that he had attended 61 consecutive annual Conference sessions. Before his death he had been retired from the active itinerary for 18 years, though he served the church as a teacher and as a substitute minister whenever there was a need.

He served his annual conference as Secretary, and during the year 1912 and 1913 he served as the Annual Conference President. He served the following pastoral charges: Pennsboro, Bridgeport, Parsons, Morgantown, Newburg and Flemington, retiring in 1933.

After his retirement he devoted much time to writing. He was a prolific poet and took every community incident as opportunity to pen a poem. He was a frequent contributor to the Year Book of Contemporary Poetry, to Church and secular magazines and newspapers.

One of the great services he did for his church was the preparation of the history of the Methodist Protestant Church in West Virginia. For many years he carried on a column in the Methodist Protestant Recorder known as "A Pod of Peas."

During the latter years of his life Brother Hart donated the greater portion of his personal library to West Virginia Wesleyan College, Duke University and West Virginia University.

Funeral services were conducted in the First Methodist Church, Jane Lew, W. Va., Sunday, November 25, 1951, with Rev. E. C. Zinn, assisted by Rev. M. C. Gainer, Dr. S. O. Bond, Dr. W. S. Patterson, Rev. T. R. Watkins, Rev. Otto Reeder and Dr. Henry R. High in charge.

Rev. Hart's last poetical composition was entitled "Time and Tide" and is as follows:

"TIME AND TIDE"

Rev. William Hampton Hart

*We are far down the stream from it's fountain
However unwelcome the truth;
Far from sight is the sun-lit mountain
Where we past the swift rapids of youth.*

*Many have been the days of our sorrow,
And the hours have sometimes brought pain;
But ever the better tomorrow
Has deepened the perception of gain.*

*And the stream flowing on to the ocean
Is unheedingly scoring the years;
But we scarcely notice the motion
As we drift to the valley of tears.*

*So many long years have we striven
To help others along on the way;
That we wonder to whom will be given
The burdens we've borne day by day.*

*The sun in Heaven is still shining
And the stars illumine the night;
May there be no thought of resigning
For the want of the courage to fight.*

*The race is not to the fleetest
The battle is not to the strong;
But victory comes to the meetest
Who conquer with spirit and song.*

*As the stream bears us on to the ocean
And it's waters are lost in the sea;
May we, in our last act of devotion
Resign us, our Father, to Thee.*

JAMES NICHOLAS HERALD

"I have fought a good fight, I have finished my course, I have kept the faith. Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day, and not to me only, but unto all them also that love his appearing".

It was appropriate that the Rev. Roy B. Ridley, pastor of the Methodist Church, Crescent City, Florida, should read these words at the memorial service for the Rev. J. N. Herald, June 20, 1951. It was just as fitting that the son of John Wesley and Charity Herald should be a Methodist minister for forty years in the hills of West Virginia and Kentucky. With a kindly smile that was strangely warmed by a big heart he served, Wayne, Ireland, Glenwood, Little Otter, Greenup, Elizabeth Memorial, Moss Chapel, Beal's Chapel, Ashland, River-view, St. Albans, Gassaway, Apple Grove, Hamlin and Raceland, from 1902 until 1942, when he retired. The strong body that was given to him on April 14, 1872, could not continue the pace that his vigorous soul demanded, so the Eternal transferred him to the "Land of Beginning Again", where he could "work for an eon or two and never grow tired at all". Following the service in Crescent City, where he had spent his retirement, his body was returned to the hills he loved. Here he was met by old friends in the ministry and the final service was conducted by Dr. J. M. Helm, District Supt., of the Huntington District, I. E. Cregger of Central Methodist and J. H. Dawson, retired. He was buried in Oaklawn, Barboursville.

Soon after the death of his first wife, Nannie May Herald, his health failed to the degree that he was forced to retire from the active list. He went to Crescent City where he married Mrs. Florence Hall in 1942, who survives him. His living children are: Mrs. Nora Adkins, Ironton, Ohio; Mrs. W. W. Brown, Huntington; Mrs. William Spears, Gallapolis, Ohio, and Mrs. L. E. Reeves of New Jersey.

He could never fully understand the "Amazing Grace" of God but found the security in it that kept him smiling thru sunshine and shadow. Likewise, he treasured the humble gifts of appreciative parishoners and friends. "How can I ever repay them?" he wrote to his church paper in 1921, after an old fashioned Thanksgiving "pounding". The love of God and the friendship of man were important to him.

*"Through many dangers, toils and snares,
I have already come;
'Tis grace hath brought me safe thus far,
And grace will lead me home."*

MICHAEL EDMAN HIVELY

Rev. Hively was received on trial in 1910 by the West Virginia Conference of the Methodist Episcopal Church and in 1910 was received into full membership in the Conference until his retirement in 1945. Among the many charges served by him were Goldtown in Putnam County, Leander and Winina in Fayette County, Flatwoods in Braxton County, Mt. Clare in Harrison, Davis in Tucker, Pullman and Pennsboro in Ritchie, Malden in Kanawha, Lavalette in Wayne, Smithburg in Doddridge, Reedy and Walton in Roane County.

In 1894 he was married to Oneta Jane Watson who preceded him in death three months and ten days, December 6, 1951. Surviving are two sons, Harley C. of Charleston, Paul W. of Parkersburg, three daughters, Minnie McClanahan of Charleston, Effie Ramsey of Ansted and Letha E. Cox of Parkersburg, two sisters Mrs. M. A. Wyatt and Mrs. Elizabeth Ray of Charleston, and one brother, F. A. Hively of Columbus, Ohio.

*"A home in heaven! what a joyful thought,
As the poor man toils in his weary lot!
His heart oppress, and with anguish driven,
From his home below to his home in heaven."*

—Wm. Hunter

ALBERT LAW IRELAND

Albert Law Ireland was born in White Oak, Ritchie County, W. Va., November 4, 1867, the son of George and Mary Law Ireland. Receiving preliminary training in the local elementary schools, he was a graduate of the Old Methodist Seminary at Buckhannon.

Brother Ireland was admitted on trial to the West Virginia Conference of the former Methodist Episcopal Church in 1902 and was received into full connection in 1904. According to family records he had then been preaching some twelve years. He served faithfully and well for thirty-seven years, taking the superannuate relationship in 1927.

In 1889 Brother Ireland was united in marriage to Minnie H. McNeill of Smithville, W. Va. His wife preceded him in death by some years. Surviving children are: Mrs. Dulcie Hall, Mrs. Lessie Brake, Mrs. Maude McCauley, Mrs. Marie Brosius, Miss Beulah Ireland, George C., A. Moore, Frank G. Stanley Law Ireland and Mrs. Mabel Hatfield.

The veteran of the Cross departed this life April 11, 1952. Funeral services were conducted, appropriately enough on Easter Sunday, April 13th, by the Rev. H. R. Wilson of Sutton and the Rev. Howard McNeill, pastor of the Auburn Church and Brother Ireland's pastor. Interment in the Auburn Cemetery.

Brother Ireland never failed to testify to his faith in The Lord Jesus Christ as his Saviour. Hearing him make a public prayer was a blessing to those who heard. His devoted spirit was a commentary upon the days of his circuit riding contemporaries and the power of their words and lives. "The trumpets have sounded for him on the other side."

—George M. Curry

FERMAN E. LAMBERT

The Rev. Ferman E. Lambert, son of Joseph and Sarah Tucker Lambert, was born in Taylor County, West Virginia, May 10, 1878 and died at his home, 1212 - 34th Street, Parkersburg, West Virginia, February 12, 1952. The final services were conducted in the Phelps Memorial Methodist Church. Ministers assisting in the service were: The District Supt., Rev. George M. Curry, Rev. H. W. Blackburn, Rev. W. Cecil Shepherd and Rev. Ferman Lambert Young.

Rev. Lambert was admitted into the Western Virginia Conference of the Methodist Episcopal Church South, in 1907 at Catlettsburg, Kentucky. He was first assigned the Enterprise Circuit, and later the Mill Creek, Thacker, Lubeck and Glenville charges. His first station was Phelps Memorial Church in Parkersburg. After a successful pastorate, there followed pastorates at Montgomery, Grayson, Kentucky, Spencer and the Ninth Avenue Methodist Church in Hunt-

ington. Later he returned to Phelps Memorial Methodist Church where he had a most successful and powerful ten year pastorate, retiring in 1945.

Three things stood out in the life of Rev. Lambert: First, his dauntless faith and courage. This was seen in his preaching. His message was forthright, fearless, courageous and faithful to the rugged Gospel truth, yet he was as skillful as he was brave, and he drew men to him and to accept his message. Second, he was a great preacher. He drew from history, literature, science, philosophy and his own rich experience, and he buttressed his messages with the Holy Scriptures. He knew the Book of Books, and used it with telling effect.

Third, he was a beloved pastor and friend. He took his flock into his heart and loved them, truly he knew how to shepherd souls. Brother Lambert was the best friend I ever had in the ministry, and many other felt the same. I believe he was the finest example of "Christian Perfection" I have ever known. It may truly be said of him, "He was a good man, who went about in this life doing good."

—Harry William Blackburn.

The Reverend A. A. P. Neel, Jr., retired member of the West Virginia Conference of The Methodist Church, died September 22, 1951. REV. HAROLD H. RINEHART

Reverend Harold H. Rinehart was born at Vadis, West Virginia, in Lewis County, May 4th, 1892. He passed from this life September 21st, 1951. He was the son of Flora Lorentz and William T. Rinehart.

In his early life he determined to be a public school teacher and did follow that profession until 1927. All his life he had a profound respect for the church and a devout love for God.

In 1927 the matter reached a climax when he felt the personal call of God to the ministry of Jesus Christ. During the course of his life-time he was known as a gifted singer and preacher and his fervent messages were the means of bringing many to Jesus Christ. It was often said of him that he sought to live the gospel which he preached to others.

He was received on trial by the Western Virginia Conference in 1927. In 1930 he was ordained deacon and 1931 he was made an elder

and admitted into full membership in the Annual Conference. The ordaining bishop was William F. McMurry.

Va., Euna Anderson of Poca, Oris Rinehart of St. Albans, Master Sergeant Harold D. Rinehart of the United States Army, and E. Ray Rinehart who resides at home. One daughter preceded him in death.

Rev. Rinehart was a devout and consecrated man. Surely at the portals of heaven he will hear the words, "Well done, good and faithful servant."

Funeral services were held in the Mt. Vernon Methodist Church in Milo where Rev. Rinehart preached his first sermon. The services were in charge of the Rev. Dr. Clyde Hensley, District Superintendent of the Lewisburg District.

ANDREW CLAY RIFFE

Rev. Andrew Clay Riffe was born April 6, 1878 in Roane County, West Virginia, and died February 5, 1952 at the home of his son Carl, Parkersburg, W. Va.

His early days were spent on a farm. In 1901 he went to Missouri, the next year began his ministry as a supply pastor. He was admitted on trial in the Idaho Conference of the Methodist Church and in 1906 he was transferred to the West Virginia Conference and placed in the studies of the second year. He was ordained Deacon in 1907 and Elder in 1910. During his active years in the Conference he served the following charges: Lockhart, Cottageville, Moundsville Circuit, Marshall Circuit, Ripley, Ravenswood, Harrisville, Lauckport and South Parkersburg, Sistersville, Middlebourne and Fairview. He retired in 1944, and moved to his residence on Andrew Street, Parkersburg.

Rev. A. C. Riffe was twice married; his first wife was Miss Ora Simmons of Roane County. To this union were born five children, three of whom preceded him in death. After his first wife's death in Missouri, he returned to West Virginia and on October 9, 1906 he married Miss Cora McRa, of Jackson County. To this union were born five sons, all of whom are living: these children together with their mother, and a son and a daughter from his first wife, and several grandchildren, comprise the survivors in his immediate family.

The ministry of A. C. Riffe was marked by sincerity and an unwavering faith in the Gospel which he preached. His religious experience was vital; he knew Christ as his Saviour and Friend, and

endeavored by prayer and meditation to maintain a constant fellowship with God. His sermons were characterized by clear thinking and forceful expression. He was a faithful pastor, seeking always the highest and best for his congregation. In the administration of the affairs of his churches he showed Christian courtesy and sound judgment.

Funeral services were conducted February 8, in Parkersburg, by Rev. T. M. Zumbrunnen and Rev. Roy McCuskey; interment was in the Ravenswood cemetery.

—Roy McCuskey.

JOSEPH SOULE THORNBURG

Joseph S. Thornburg was born near Huntington, educated in the public schools and Marshall College. He began his ministry in the West Virginia Conference in 1899. His service record is forty-two years of effective, faithful service and included the following pastorates: Egypt, Fort Gay, Peytona, Hamlin, Logan, Adme, Waynesboro, Virginia, Mason City, Gassaway, Reedsville, Parsons, Kenova, Morris Memorial and Sixth Street Charleston, St. Albans.

Those following in the glorious succession of Kingdom building are his son, Dr. Amos Thornburg of Hollywood, California and grandsons, Robert and Richard in the New York Conference.

His culture, friendliness, loyalty and compassion were characteristic of his life. He labored with such gentleness and understanding of his people that it was impossible not to love him and the more intimately he was known the more cordially he was loved. To the end, he was constrained by the love that never faileth.

—Joseph C. Hoffman

JOHN P. TURKELSON

The Rev. John P. Turkelson, 90, a retired Methodist minister of 534 S. Fifth St., Clarksburg, died at 2. P.M. Sunday June 10, 1951 in a Harrisville, W. Va., nursing home after a lengthy illness.

The aged minister was active in the Church for 43 years. He was pastor, at the Methodist Temple, Clarksburg from 1916-1922 when the church was built and dedicated. He closed his active ministry at the Harrisville Methodist Church 17 years ago. After retirement he made his home in Clarksburg.

A native of Denmark, the Rev. John P. Turkelson was born September 29, 1860 a son of Peter and Cathrine Turkelson. He is survived by his widow, Margaret McCormick Turkelson and one son, John E., of Charleston, and two grand-children.

GEORGE W. TWYNHAM

"I would rather have Dr. Twynham sit by my fire than any minister I have ever known", said a layman, who enjoyed a dis-

cussion of religion beyond the small talk stage. George W. Twynham was born in Oxford, England in 1878. He drank deeply of the learning and traditions of the old University before he came to America in 1907. He was received into the Methodist Episcopal Church, South, as a Deacon in 1908 at Webster Springs, West Virginia. He served at Prestonsburg, Kentucky; Davis-Thomas, New Martinsville, the Parkersburg District, for ten years as a special representative of the Board of Missions in Belgium and Poland, Webster Springs, First Church, Ashland, Kentucky; the Clarksburg District, Emmanuel in Huntington, McMechen, Woodford Memorial in Elkins and retired in 1950 from St. Johns in Grafton. Experience, travel, devotion to God and man, a deep sense of right and a laugh that came from a love for life were mingled in the personality of this man who adjusted to any condition he faced.

"Go ye into all the world" was literally accepted by this man of God. The records are vague but he served briefly in Africa for the British Methodist before he came to America. The wrecked conditions of war scarred Europe appealed to him through the Board of Missions. In Poland he sowed seeds that are "trees planted by the rivers of water" today, behind the Iron Curtain. When his mission was accomplished he returned to America to serve in a capable way.

He married Jane Phillips of Pembroke, England in 1907. She was buried at New Martinsville in 1935. In 1937 he married Fannie Lorraine Hamilton of Mannington, who walked by his side until August 19, 1951, when death came.

Memorial services were conducted at Central Methodist Church, Fairmont, West Virginia by his pastor, Dr. C. E. Brandt and his friend John W. Hollister. His body rests at Greenwood Memorial Park, New Martinsville.

*"Green be the turf above thee,
Friend of my better days.
None knew thee but to love thee,
Nor sing thee but to praise".*

—John W. Hollister.

DON M. NICHOLAS

Rev. Don M. Nicholas was born in Crabbottom, Highland Co., Virginia, January 14, 1885, the son of the late George Nicholas and his wife Phoebe. He died in Albright, West Virginia, February 15, 1952. He was united in marriage to Miss Ailee V. Arbogast of Arbogast January 28, 1908; the widow together with four daughters: Mrs. Nola N. Shears, Mrs. Pearl N. Reitz, Mrs. Bonnie N. Hill, Mrs. Violet N. Chapman and three sons: Harry L., Hunter W., and Sterl O., survive.

Brother Nicholas always enjoyed revival work and was useful to his pastor before being licensed to preach. He was granted local preacher's license at Beverly, in the Buckhannon District, in 1925 and

served as an Accepted Supply in the Conference for twenty-seven years. He graduated from the course of study and was fully ordained. During his ministry he saw large numbers of people converted and brought into the church. He had a good singing voice and loved to use it in the praise of God.

Among the charges served were: Frost, Upper Tract, Hendricks, Tallmansville Ct., Troy, Alma, Smithville, Brandonville, Elk Garden and Albright, where his labors were ended.

The funeral services were conducted by his District Superintendent, Dr. Ross Linger of the Moorefield District on February 17, 1952. A memorial service was conducted in the Albright Church Sunday morning. Regular funeral services were conducted at Arbovale in the afternoon and the earthly remains laid to rest in the Arbovale Cemetery, the family burying ground.

*Fold up the tent!
The sun is in the West.
Tomorrow my untented soul will range
Among the blest.
And I am well content,
For what is sent; is sent
And God knows best."*

ASA STEWART WOLFE

Brother Asa Stewart Wolfe was received on trial in the West Virginia Conference of the Methodist Church in 1904 and in full connection in 1906. Because of ill health he was forced to retire in 1944. For forty years he traveled a winding road of useful service up and down and across the State as Christ's Ambassador and the people's friend. He served the following: Ceredo, Webster Springs, Friendsville, Newburg, Buckhannon Circuit to attend Wesleyan College, Adamston, Clarksburg, Richwood, Jefferson Ave., Huntington, Calvary, Moundsville, Sixth Street, Charleston, Westover, Morgantown, Beverly Hills, Huntington, South Charleston, West Union, Terra Alta, St. Paul's, Grafton, Rowlesburg, Bridgeport and Vincent Memorial, Clarksburg. I think he built more new churches and parsonages and remodeled and repaired more old churches than any other member of the West Virginia Conference. He never left a charge without improving the property and deepening the spiritual life of the Church.

During his long and useful ministry he served with distinction on practically all of the boards and commissions of the Conference. Always a young people's pastor but never neglecting the older members of his parish, he identified himself with the conference program of youth and served as teacher, conseller and business manager of the Epworth League Institute.

A forceful preacher, he believed in the basic principles of our

historic faith and preached with conviction. Never afraid to speak out for what he believed to be Christian, he renounced sin and wickedness and called man to repentance and acceptance of Christ's saving grace. He believed in the power of the Gospel to change human nature, no matter how evil and sinful a man's heart might be. He preached and believed that the Gospel alone can surmount humanity's creation. A workman that needed not to be ashamed, he rightly divided the word of truth.

He saw beyond the obvious and it was this vision of what he saw that made him labor so abundantly for the supremacy of the unseen. He had a glory, it was the glory of the unseen. It dispelled the gloom of pessimism and pushed back the horizons when life seemed to cave in upon him. In the darkest night the man that can see beyond the obvious, "can split the sky in two and let the face of God shine through. "How often he prayed—

*"Send forth, O God, Thy light and truth,
And let them lead me still,
Undaunted in the paths of right,
Up to Thy holy hill;
Then to Thy altar will I spring
And in my God rejoice;
And praise shall tune the trembling string,
And gratitude my voice."*

He took his faith out of the subjective mood. He did not say—"If Christ be risen." He put it in the indicative mood—"Now is Christ risen from the dead." He never lost the glow or fervor of the consciousness of God. And so he could sing—

*"This is my Father's world,
And to my listening ears,
All nature sings, and round me rings
The music of the spheres.
This is my Father's world,
I rest me in the thought
Of rocks and trees, of skies and seas;
His hand the wonders wrought."*

And how he loved the beauties of God's world—

And so each day he walked and talked with God. Through the years they walked together in lovely lanes of service. They walked together along the streets of discarded dreams to rescue the perishing and call sinners to repentance and acceptance of God's forgiveness and love. He went with the Father to visit the sick and care for the dying and comfort the sorrowing, saying, "Let not your heart be troubled, neither let it be afraid."

*"There is a land of pure delight
Where saints immortal reign,
Infinite day excludes the night
And pleasures banish pain."*

But time was running out. Shoulders began to droop and he walked with a feeble step. His hand trembled more and the house of clay seemed worn and old with time and use. So as they walked the other day God said Asa, you just better come with me. It will be your last itinerary and you will not be afraid for I will walk with you each step of the way. And so they walked to the end of Life's little day with his sight fixed on the city whose maker and builder is God. When the walls of the cities of man began to fade like a dream, he saw the Holy City gleaming with plenteous jewelry of God standing with its alluring gates open on all sides. Absent from us, he is at home in the city that finds its delight not only in those who are already in its everlasting safety, but finds joy in those who are constantly arriving.

*"It is a triumphal day, not one for tears;
Life, not death; the dawn, not night;
A glad homecoming, not farewell;
A land without a shadow;
Sunset without darkness;
Peaceful waters and no storm;
A welcome with no parting;
Victory not defeat;
A soldier home from battle;
Good morning, not good night."*

—John L. Wolfe.

THE OBJECTIVES

of

WEST VIRGINIA WESLEYAN COLLEGE

It is the purpose of West Virginia Wesleyan College to be a Christian college of liberal arts in the sense that its total program is motivated by Christian ideals and principles, and is directed toward the development of competent, cultured, Christian persons.

The College seeks to help each student, in the light of his individual abilities, interests, and needs, to become such a person by attaining the following specific objectives:

1. Ability and disposition to read the English language with understanding, and to speak and write it correctly and effectively.

2. Ability and disposition to think clearly, objectively, independently and constructively.

3. Ability and disposition to order one's own life in such fashion as to realize the highest possible degree of health and efficiency of both body and mind.

4. A broad orientation in the liberal arts, — some understanding and appreciation of the content and value of the main fields of learning and of the major problems of human life.

5. Sufficient concentration in some field, or fields, to constitute adequate preparation for graduate study or immediate entrance into some well considered vocation, such as teaching, the ministry, business, industry, etc. Through its program of testing and guidance the College undertakes to help the student to choose wisely his vocation or profession. Through its instructional program it undertakes to help him acquire the knowledge and develop the skills essential to success in his chosen field.

6. Understanding, appreciation, and experience of the Christian religion, — development and practice of a Christian philosophy of life.

7. Ability and disposition to be a good citizen, — to participate in, and assume leadership in, socially constructive organizations and activities; and to foster extension of democracy and development of a worthy cosmopolitanism.
